Engineering, Engineering Related, and Technology Certification Programs, 2009 **The Official CHFI Study Guide (Exam 312-49)** Dave Kleiman, 2011-08-31 This is the official CHFI Computer Hacking Forensics Investigator study guide for professionals studying for the forensics exams and for professionals needing the skills to identify an intruder's footprints and properly gather the necessary evidence to prosecute. The EC Council offers certification for ethical hacking and computer forensics. Their ethical hacker exam has become very popular as an industry gauge and we expect the forensics exam to follow suit. Material is presented in a logical learning sequence; a section builds upon previous sections and a chapter on previous chapters. All concepts simple and complex are defined and explained when they appear for the first time. This book includes Exam objectives covered in a chapter are clearly explained in the beginning of the chapter. Notes and Alerts highlight crucial points. Exam's Eye View emphasizes the important points from the exam's perspective. Key Terms present definitions of key terms used in the chapter. Review Questions contains the questions modeled after real exam questions based on the material covered in the chapter. Answers to the questions are presented with explanations. Also included is a full practice exam modeled after the real exam. The only study guide for CHFI provides 100% coverage of all exam objectives. CHFI Training runs hundreds of dollars for self tests to thousands of dollars for classroom training. **The Guide to National Professional Certification Programs** Philip M. Harris, 2001 The job market continues to change. Highly skilled and specialized workers are in demand. Traditional education cannot meet all the needs to create specialty skill workers. Certification provides up to date training and development while promoting individual or professional skills and knowledge in a focused manner. Certification as a way of continuing professional education can also be more cost effective. Directory of Engineering and Technology Certification Programs, 1996 *AACE International's Certified Estimating Professional CEP Certification Study Guide* AACE International Staff, William Kraus, Philip Larson, 2013-02-27 The AACE International Certified Estimating Professional™ CEPTM Certification Study Guide is being developed to accomplish two purposes similar to that of the AACE International CCC™ CCE™ Certification Study Guide. First it is intended to aid aspiring candidates for the certification by summarizing the fields of study recommended for preparation for the certification examination. Second the intent of the Certified Estimating Professional Certification Study Guide is to assemble and summarize various topics considered essential for the Certified Estimating Professional's CEP knowledge as outlined in AACE International's Recommended Practice 11R-88 Required Skills and Knowledge of Cost Engineering and included in the current edition of AACE International's Skills and Knowledge of Cost Engineering.
