Challenges Of Faith Choosing Christ As The Better Way:

Challenges of Faith Dirk Willner,2014-06-01 In this Study of the Book of Hebrews Dirk Willner shows readers that our faith can be challenged in many ways but that God has provided the perfect solution for us in His Son Jesus Christ We can see that even though we live in a very different world from the Hebrews of Jesus time we still ask the same questions and have similar challenges God still has the answer and provides us with the guidance we need to find Him in every part of our lives

Choosing Faith John W. Saultz,2019-05-16 A belief is a judgment that we assume to be true when making life decisions Our beliefs cannot conclusively be proven true or false Beliefs can be as simple as our preference for food or as profound as our religious beliefs How are beliefs different from knowledge or opinion How do beliefs develop and change over time and how do they become the foundation of our purpose in life This book is divided into three sections The first explains how beliefs are formed in childhood and modified and adapted when we become adults The second section explores different types of belief and introduces the notion of moral beliefs about right and wrong and religious beliefs about the existence and nature of God The final section of the book explains how beliefs are prioritized into a faith that becomes our framework for making life decisions The beliefs we hold most dear form the building blocks of our purpose in life We have the freedom to choose our beliefs so we have the freedom to choose our purpose The goal of this book is to help the reader think deeply about this process and explore the meaning of this freedom

Choices and Challenges Alan G. Greer,2009-05 Choices and Challenges is a fresh way of looking at humanity s relationships with God and each other Based on the concept that while God loves us He does not exist to serve humanity but that we exist to serve God Alan Greer confronts and debunks the atheistic notion that since our world and its multitude of religions are demonstrably imperfect with each and every one of us not being protected from all harm God can not exist because if He did He would have prevented all such imperfections Greer likewise challenges the other extreme that two to four thousand years ago God laid down a series of laws and rules that can not under any circumstances be changed or broken Instead Greer shows how God has taught us how and when to break those rules in favor of new and better ones Choices and Challenges demonstrates that God has an ongoing purpose for each of us and for humanity as a whole that stretches into the far distant future

Devotional: Learn How to Make Choices to Transform Your Life Debby Sibert, 2021-04-22 Have you found that some of the many choices you make on a daily basis have become habits that don't serve you well We have to become intentional about avoiding those poor choices to experience a better way of life Do you want to make a positive impact and leave the world around you a bit better than you found it Then let's choose to make wiser decisions remembering that words matter character counts and our conduct what we think say and do reveals our heart The purpose of this 31 day devotional series is to help us all focus on godly characteristics and attributes that can become a daily part of our character and equip us to make wise choices When we make wise choices based on God's Word they will bring us the satisfaction in life that we all long for which will gradually transform our lifestyle into one that will be an example for others and point them to Christ My goal in this series is to help you fall in love with Jesus in a new and fresh way as we discuss all these character qualities that He modeled for us in the Scriptures As we focus our attention on His attributes and embrace an eternal perspective imitating what He modeled for us the more we will think and act like Him Isn't that awesome We become like those with whom we spend the most time The way we think affects how we feel and how we feel affects the way we behave If we want to change the way we act we must go back and change our thoughts and choices We are only as close to God as we choose to be Keep in mind God gives us the freedom to make choices however we have to deal with and don't get to choose the consequences of both the good and bad choices we make Jesus chose to die for us The least we can do is to choose to live for Him I am so thankful for Debby Sibert for her writing for her teaching and for her life She is the real deal She loves God's Word and she loves helping people experience abundant life according to God's good design You will be blessed encouraged challenged and ultimately changed by God's grace through her David Platt New York Times Best Selling Author Lead Pastor McLean Bible Church *Christianity or Humanism: Which Will You Choose?* Robert L. Problems of Evil and the Power of God Professor James A Keller,2013-05-28 Why do bad things happen even to good people If there is a God why aren't God's existence and God's will for humans more apparent And if God really does miracles for some people why not for others This book examines these three problems of evil suffering divine hiddenness and unfairness if miracles happen as believers claim to explore how different ideas of God's power relate to the problem of evil Keller argues that as long as God is believed to be all powerful there are no adequate answers to these problems nor is it enough for theists simply to claim that human ignorance makes these problems insoluble Arguing that there are no good grounds for the belief that God is all powerful Keller instead defends the understanding of God and God's power found in process theism and shows how it makes possible an adequate solution to the problems of evil while providing a concept of God that is religiously adequate **New Challenges to Faith** Sherwood Eddy,1926 *Belief - Faith - Trust - Hope* M.R.
