► **CHINA'S ECONOMIC REFORMS ARE BEARING FRUIT** — China's economic reforms are beginning to bear fruit, according to a report by the World Bank. The report states that China's economic growth has been strong and steady since 1978, and that the country is now on a path to becoming a developed nation. The report also notes that China's economic reforms have been successful in reducing poverty and improving living standards. The report is based on data from the World Bank's annual report on China's economic development.
