Development Projects For A New Millennium:

Development Projects for a New Millennium Anil Hira,Trevor W. Parfitt,2004-05-30 The authors examine the brave new world of development in the post Cold War era sketching out the new context within which development projects take place They then provide an overview of the concerns and approaches of development project management and introduce the new development administration approach

The Project in International Development Caitlin Scott,2023-06-26 The project has become fundamental to international development and humanitarian practice playing a key role in defining objectives funding streams and ultimately determining what success looks like This book provides a much needed overview of the project in international development practice guiding the reader through the latest theoretical debates and exploring the core tools and stages of planning and design The book starts with an overview of the role of the project through development history before taking the reader through the stages of a standard project management cycle Each chapter introduces the stage the most common tools used to support that phase of planning and the critical debates that exist around it with examples to illustrate discussions from around the world and a range of development fields The book explores the challenges to working effectively in contemporary aid contexts including the role of politics and the pressures wrought by the demands to demonstrate quantified results Throughout the book argues for the need to see the project as a form of governmentality that arranges resources and people in time and space and that extends neoliberal forms of managerial control in the sector Ending with suggestions for innovation this book is perfect for anyone looking for an accessible and engaging guide to the international development project whether student researcher or practitioner

New Directions in Project Management Paul C. Tinnirello,2001-09-26 Organizations that rely on computing technology for survival understand the critical importance of managing projects that meet strategic goals and objectives The diversity of business globalization and electronic commerce combined with the unceasing pace of technical change continues to challenge efforts for more proficient project management tech

Assistive Technology on the Threshold of the New Millennium Christian Bühler,Harry Knops,1999 The field of assistive technology is influenced by the ongoing and rapid development of mainstream technologies on the one hand and continuing changes to social systems in relation to societal events such as the ageing of the population on the other The articles in this book provide a broad overview of developments in technical support for people with functional restrictions key technologies like telecommunications and IT are addressed while low tech practical solutions are also considered
