Fire

Officer: Principles and Practice includes Navigate Advantage Access Michael J. Ward, 2019-12-18 The fourth edition of Fire Officer Principles and Practice was significantly updated and reorganized to better serve the Fire Officer I and Fire Officer II. The content meets and exceeds the job performance requirements for Fire Officer I and II in the 2020 Edition of NFPA 1021 Standard for Fire Officer Professional Qualifications. The new edition places an emphasis on the application of leadership traits and management theories common leadership and management challenges and how leadership is used to meet objectives. The basic principles and methods of Community Risk Reduction are also discussed. In addition, the program now has two distinct sections. Section One includes eight chapters which set the foundation for Fire Officer I knowledge and understanding. Section Two comprises six chapters which encompass the higher level competencies required for Fire Officer II. This new organization will allow you the flexibility to teach your Fire Officer I and II courses exactly the way you wish.
