Diary Of Anne Frank Book:

The Diary of a Young Girl Anne Frank, 2010-09-15 THE DEFINITIVE EDITION Discovered in the attic in which she spent the last years of her life the remarkable diary that has become a world classic a powerful reminder of the horrors of war and an eloquent testament to the human spirit Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize winner Nadia Murad The single most compelling personal account of the Holocaust remains astonishing and excruciating The New York Times Book Review In 1942 with Nazis occupying Holland a thirteen year old Jewish girl and her family fled their home in Amsterdam and went into hiding For the next two years until their whereabouts were betrayed to the Gestapo they and another family lived cloistered in the Secret Annex of an old office building Cut off from the outside world they faced hunger boredom the constant cruelties of living in confined quarters and the ever present threat of discovery and death In her diary Anne Frank recorded vivid impressions of her experiences during this period By turns thoughtful moving and amusing her account offers a fascinating commentary on human courage and frailty and a compelling self portrait of a sensitive and spirited young woman whose promise was tragically cut short Anne Frank: The Collected Works Anne Frank Fonds, 2019-05-30 Anne Frank's diary is one of the most recognised and widely read books of the Second World War Hundreds of thousands of people visit the Anne Frank House on the Prinsengracht in Amsterdam each year to see the annexe where Anne and her family hid from the occupying forces before eventually being deported to Auschwitz in 1944 Only Anne's father Otto survived the Holocaust Anne Frank The Collected Works includes each of the versions of Anne's world famous diary including the A and B diaries now in continuous readable form and the definitive text D edited by renowned translator and author Mirjam Pressler For the first time readers have access to Anne's letters personal reminiscences daydreams essays and notebook of favourite quotes Also included are background essays by notable writers such as historian Gerhard Hirschfeld University of Stuttgart and Francine Prose Bard College on topics such as Anne Frank's Life The History of the Frank Family and The Publication History of Anne Frank's diary as well as numerous photographs of the Franks and the other occupants of the annexe An essential book for scholars and general readers alike The Collected Works brings together for the first time Anne Frank's complete writings together with important images and documents Supported by the Anne Frank Fonds in Basel Switzerland set up by Otto Frank to act as the guardian of Anne's work this is a landmark publication marking the anniversary of 90 years since Anne's birth in 1929 **Anne Frank: The Diary of a Young Girl** Anne Frank, 1973 **Anne Frank: The Diary of a Young Girl** Anne Frank, 1958 **An Obsession with Anne Frank** Lawrence Graver, 1997-01-01 Lawrence Graver's book is a precise and generous account of dreadful obsession in which deep issues are reduced by paranoia into misery all around and work for many lawyers It's sad true to my knowledge of Meyer Levin and others enmeshed in the history infinitely sad Herbert Gold author of Fathers Beautifully and poignantly told this story holds a mirror up to American Jewry's own coming to terms with the Holocaust It is by turns captivating and

heartbreaking the story of both Levin's obsession and his search for Jewish and American identity after the Holocaust In this literary history Lawrence Graver also reanimates the diary itself returning it to the time and place from which it was torn fifty years ago James Young author of *Writing and Re-writing the Holocaust* and *The Texture of Memory* A gripping account easy to read in one or two sittings hard to put down The balance between sympathy for Levin and criticism of his mounting obsession is exquisitely established and beautifully maintained culminating in remarkable insight Morris Dickstein author of *Gates of Eden* *Beyond Anne Frank* is so beautiful and thoughtfully written that I really couldn't put it down Diane Wolf's voice is human and humanistic without glossing over any painful realities She probes the subject from an impressive array of angles considering a wide variety of types of experiences This book is extraordinarily fine and I enthusiastically recommend it Lynn Davidman author of *Motherloss* *Anne Frank's Diary: The Graphic Adaptation* ,2018-10-02 A timeless story rediscovered by each new generation The *Diary of a Young Girl* stands without peer This graphic edition remains faithful to the original while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature A stunning haunting work of art The New York Times Book Review For both young readers and adults The *Diary* continues to capture the remarkable spirit of Anne Frank who for a time survived the worst horror the modern world has seen and who remained triumphantly and heartbreakingly human throughout her ordeal Includes extensive quotations directly from the definitive edition adapted by Ari Folman illustrated by David Polonsky and authorized by the Anne Frank Foundation in Basel *Anne Frank, the Diary of a Young Girl* Anne Frank, Mordecai Henry Lewittes, 1960
