Clarence Bernard Henry

Cape Verde Lets Citizenship Millennium:

Cape Verde, Let's Go Derek Pardue, 2015-11-15 Musicians rapping in kriolu a hybrid of Portuguese and West African languages spoken in Cape Verde have recently emerged from Lisbon's periphery. They popularize the struggles with identity and belonging among young people in a Cape Verdean immigrant community that shares not only the kriolu language but its culture and history. Drawing on fieldwork and archival research in Portugal and Cape Verde, Derek Pardue introduces Lisbon's kriolu rap scene and its role in challenging metropolitan Portuguese identities. Pardue demonstrates that Cape Verde, while relatively small within the Portuguese diaspora, offers valuable lessons about the politics of experience and social agency within a postcolonial context that remains poorly understood. As he argues, knowing more about both Cape Verdeans and the Portuguese invites clearer assessments of the relationship between the experience and policies of migration. That in turn allows us to better gauge citizenship as a balance of individual achievement and cultural ascription. Deftly shifting from domestic to public spaces and from social media to ethnographic theory, Pardue describes an overlooked phenomenon transforming Portugal, one sure to have parallels in former colonial powers across twenty-first century Europe. Global Popular Music Clarence Bernard Henry, 2024-11-19 Global Popular Music: A Research and Information Guide offers an essential annotated bibliography of scholarship on popular music around the world in a two-volume set. Featuring a broad range of subjects, people, cultures, and geographic areas and spanning musical genres such as traditional folk, jazz, rock, reggae, samba, rap, punk, hip-hop, and many more, this guide highlights different approaches and discussions within global popular music research. This research guide is comprehensive in scope, providing a vital resource for scholars and students approaching the vast amount of publications on popular music studies and popular music traditions around the world. Thorough cross-referencing and robust indexes of genres, places, names, and subjects make the guide easy to use. Volume 2: Transnational Discourses of Global Popular Music Studies covers the geographical areas of North America (United States and Canada), Central America, Caribbean, and South America, Latin America, Europe, Africa, and Middle East, Asia, and areas of Oceania, Aotearoa, New Zealand, Australia, and Pacific Islands. It provides over twenty-four hundred annotated bibliographic entries covering discourses of extensive research that extend beyond the borders of the United States and includes annotated entries to books, book series, book chapters, edited volumes, special documentaries, and programming, scholarly journal essays, and other resources that focus on the creative and artistic flows of global popular music. **Graceful Resistance** Lauren Miller Griffith, 2023-06-20 Capoeira began as a martial art developed by enslaved Afro-Brazilians. Today, the practice incorporates song, dance, acrobatics, and theatrical improvisation and leads many participants into activism. Lauren Miller Griffith's extensive participant observation with multiple capoeira groups informs her ethnography of capoeiristas, both individuals and groups in the United States. Griffith follows practitioners beyond their physical training into social justice activities that illuminate capoeira's strong connection to resistance and subversion. As both individuals and communities of

capoeiristas participants march against racial discrimination celebrate Martin Luther King Jr Day and Juneteenth organize professional clothing drives for job seekers and pursue economic and environmental justice in their neighborhoods For these people capoeira becomes a type of serious leisure that contributes to personal growth a sense of belonging and an overall sense of self while also imposing duties and obligations An innovative look at capoeira in America Graceful Resistance reveals how the practicing of an art can catalyze action and transform communities *Urban Emotions and the Making of the City*

Katie Barclay, Jade Riddle, 2021-04-05 This book brings together a vibrant interdisciplinary mix of scholars from anthropology architecture art history film studies fine art history literature linguistics and urban studies to explore the role of emotions in the making and remaking of the city By asking how urban boundaries are produced through and with emotion how emotional communities form and define themselves through urban space and how the emotional imaginings of urban spaces impact on histories identities and communities the volume advances our understanding of urban emotions into discussions of materiality power and embodiment across time and space

The Routledge Companion to Gender, Sex and Latin American Culture Frederick Luis Aldama, 2018-05-24 The Routledge Companion to Gender Sex and Latin American Culture is the first comprehensive volume to explore the intersections between gender sexuality and the creation consumption and interpretation of popular culture in the Americas The chapters seek to enrich our understanding of the role of pop culture in the everyday lives of its creators and consumers primarily in the 20th and 21st centuries They reveal how popular culture expresses the historical social cultural and political commonalities that have shaped the lives of peoples that make up the Americas and also highlight how pop culture can conform to and solidify existing social hierarchies whilst on other occasions contest and resist the status quo Front and center in this collection are issues of gender and sexuality making visible the ways in which subjects who inhabit intersectional identities sex gender race class are othered as well as demonstrating how these same subjects can and do use pop cultural phenomena in self affirmative and progressively transformative ways Topics covered in this volume include TV film pop and performance art hip hop dance slam poetry gender fluid religious ritual theater stand up comedy graffiti videogames photography graphic arts sports spectacles comic books sci fi and other genre novels loter a card games news web and digital media

The Street Is My Pulpit Mwenda Ntarangwi, 2016-05-15 To some Christianity and hip hop seem antithetical Not so in Kenya There the music of Julius Owino aka Juliani blends faith and beats into a potent hip hop gospel aimed at a youth culture hungry for answers spiritual material and otherwise Mwenda Ntarangwi explores the Kenyan hip hop scene through the lens of Juliani s life and career A born again Christian Juliani produces work highlighting the tensions between hip hop s forceful self expression and a pious approach to public life even while contesting the basic presumptions of both In *The Street Is My Pulpit* Ntarangwi forges an uncommon collaboration with his subject that offers insights into Juliani s art and goals even as Ntarangwi explores his own religious experience and subjective identity as an ethnographer What emerges is an original contribution to the scholarship on hip hop s global impact
