

CITY OF SECRETS

THE TRUTH BEHIND
THE MURDERS AT THE VATICAN

JOHN FOLLAIN

City Of Secrets The Truth Behind The Murders At The Vatican

Lucy Andrew, Catherine Phelps

City Of Secrets The Truth Behind The Murders At The Vatican:

City of Secrets John Follain, 2003 Examines the truth behind the murder of a Swiss Guard his wife and a young vice corporal at the Vatican revealing a world of corruption hypocrisy and injustice that reaches to the highest level of this mysterious autocracy

City of Secrets John Follain, 2009-10-13 A true crime exposé of a 1998 murder suicide within Vatican City and its subsequent investigation On the night of Monday May 4 1998 in Vatican territory the bodies of the commander of the Swiss Guard his wife and a young lance corporal were found in the barracks of the picturesque force entrusted with protecting the pope It was the worst bloodbath to take place in more than a century in the heart of the supreme authority of the world's one billion Catholics Four hours later the Vatican announced that the lance corporal twenty three year old Cdric Tornay had shot the couple then committed suicide in a fit of madness brought on by frustration with the unit's discipline a conclusion it reaffirmed after a nine month internal inquiry But as John Follain's hard hitting exposé shows the official report was a travesty a tissue of suppositions contradictions and omissions Based on an exhaustive three year investigation *City of Secrets* reveals how the Vatican the oldest and most secretive autocracy in the world staged an elaborate plot to obstruct justice and hide the scandals it dared not confess

How the Catholic Church Became Naughty...And Where the Real Hindrance to Reform Lies Jack Doherty, 2015-10-31 The cardinals and bishops of the Catholic Church have been naughty for centuries Why can't they practice what they preach At Christmastime 2014 Pope Francis scolded them for their vanity hypocrisy back biting gossiping boasting lust for power and control and acting like Lords of the Manor This book is an expansion on Pope Francis's admonition to his inner governing circle the Vatican Curia tracing this naughtiness from the time of Emperor Constantine who converted to Christianity in the early 4th century and gave the Church palaces basilicas riches and a noble lifestyle It is a short journey throughout the lascivious and corruption filled history of these church leaders their torture of non believers selling of indulgences and church offices concubinage partnering with evil kings and rulers ending with the 20th century Vatican Bank frauds the money laundering for Mafia and Mason crimes the betrayal of the Church and the sexual abuse of children scandal These popes cardinals and bishops of the Catholic Church are and have been the Real Hindrance to Reform with their peculiar Vatican mindset of clericalism arrogance and exaggerated self estimation of their superiority over everyone and everything It has been evolving for 1700 years This short book is not a denunciation of the Catholic Church but a ray of hope that the Vatican will make the deep changes that are necessary for survival of Catholicism Only a priesthood that includes married celibate male and female priests with a non clerical mindset will bring about the needed reform of the Catholic Church not the Pope alone nor the regressive Vatican mindset of clericalism ingrained in present day church leaders

Secrets of the Vatican Cyrus Shahrad, 2007-02-07 Divided into themed sections linked together with a chronology of the most important events in the life of the Vatican *Secrets of the Vatican* includes THE HISTORY OF THE VATICAN The rise of the Catholic church from its inauspicious beginnings as a

persecuted cult in Rome to its establishment as the world's largest organized religion HOUSES OF THE HOLY A look at the vast wealth of art sculpture and literature collected in the Vatican Museums and some of the scandals that accompany the treasures LIFE IN THE VATICAN Everyday life under the benevolent gaze of Europe's last absolute ruler DEATH IN THE VATICAN The gruesome ends of some popes and of some of the Vatican's other citizens THE HIDDEN VATICAN The chapters of Vatican history that have remained closed to all but the innermost circle of Vatican officials **Vatican Spies** Yvonnick Denoel, 2024-12-05 A revelatory history of the priests nuncios and missionaries whose special operations have served the Holy See and its 1.3 billion Catholics worldwide **Women of the Vatican** Lynda Telford, 2020-02-15 A revealing history of women who were a power behind the papal throne Engaging controversial and sometimes illuminating **Crime Fiction in the City** Lucy Andrew, Catherine Phelps, 2013-04-30 Crime Fiction in the City Capital Crimes expands upon previous studies of the urban space and crime by reflecting on the treatment of the capital city a repository of authority national identity and culture within crime fiction This wide ranging collection looks at capital cities across Europe from the more traditional centres of power Paris Rome and London to Europe's most northern capital Stockholm and also considers the newly devolved capitals Dublin Edinburgh and Cardiff The texts under consideration span the nineteenth century city mysteries to contemporary populist crime fiction The collection opens with a reflective essay by Ian Rankin and aims to inaugurate a dialogue between Anglophone and European crime writing to explore the marginalised works of Irish and Welsh writers alongside established European crime writers and to interrogate the relationship between fact and fiction creativity and criticism within the crime genre *Dark Mysteries of The Vatican* H. Paul Jeffers, 2010-02-01 What The Vatican Doesn't Want You To Know The lies The conspiracies The cover ups The truth Deep behind the walls of the world's holiest site is a dense network of lies corruption and conspiracies fueling the Vatican's vast and unchecked influence on world events From the Holy Orders that defied the commandment Thou Shalt Not Kill to the scandals splashed across international headlines the Vatican is no longer shrouded in mystery legend and secrecy It's all here The shocking and unsolved murder of the corrupt Vatican financier known as God's Banker Real life exorcism and shocking rumors of Satanism The Vatican's startling views on extraterrestrials and end of world prophecies The Vatican's hidden ties to Nazi Germany and the Mafia The bizarre rituals of the ultraconservative Opus Dei The Vatican's ruthless 500 year war with the Freemasons Pope Pius XII's anti-Semitic indifference to the plight of Europe's Jews and the Holocaust And much more This utterly fascinating unflinching account is the most definitive exposé ever written about the most secretive institution in the world H Paul Jeffers is the author of *The Bilderberg Conspiracy* *Freemasons Inside the World's Oldest Secret Society* and *Freemasons in America* Inside the Secret Society among fifty other books He has appeared on C-SPAN Fox News and The History Channel *The Pope's Soldiers* David Alvarez, 2011-05-09 Most students of history assume that the age of the warlord popes ended with the Renaissance but long after the victory of Catholic powers at the Battle of Lepanto in 1571 the Papacy continued to entangle

itself in martial affairs The Vatican participated in six major military campaigns between 1796 and 1870 flew the papal flag over a warship as late as 1878 and during the Second World War mobilized more than 2 000 of its own troops to defend the Pope David Alvarez now opens up this little known aspect of the Papacy in the first general history of the papal armed forces His is the first book in English to provide a comprehensive chronicle of the modern Vatican s military and security forces from 1796 when the armies of revolutionary France invaded the Papal States through the wars for unification to the present day deployment of modern weapons technology and skills to protect the Holy Father and the Vatican from terrorists and assassins Most papal histories make little reference to military affairs while the few that address them do so only in passing or focus narrowly on particular units or campaigns Alvarez s history expands our understanding of the Papacy s military through the exceptional research he has done as the first American scholar to gain access to the archive of the Pontifical Swiss Guard and the modern military records in the Vatican Secret Archive He is also the first historian of any nationality to use the records of the Vatican Gendarmeria Alvarez chronicles the exploits of the Vatican s military leaders and soldiers in their campaigns and battles focusing on how those units under the Pope s authority including the Vatican navy engaged in actual military operations He also deals extensively with the Vatican Gendarmeria as well as the Pope s Noble Guards Palatine Guards and Swiss Guards describing their distinctive responsibilities and revealing the competition and internal tensions that sometimes undermined the morale preparedness and cohesion of the Pope s guards Filled with information that will surprise scholars of the Papacy and military historians alike Alvarez s highly original work illuminates a shadowy corner of Vatican history and will fascinate all readers interested in the role of the church in the broader world *The Entity* Eric Frattini, 2024-07-02 International Bestseller Meticulously documented Frattini gives us an exclusive look at the hidden face of the papacy revelations that send a chill up the spine Le Monde For five centuries the Vatican the oldest organization in the world maker of kings and shaper of history has used a secret spy service called the Holy Alliance or later the Entity to carry out its will Forty popes have relied on it to carry out their policies They have played a hitherto invisible role confronting de Christianizations and schisms revolutions and dictators colonizations and expulsions persecutions and attacks civil wars and world wars assassinations and kidnappings For the first time in English following the bestselling Spanish and French editions Eric Frattini tells the comprehensive tale of this sacred secret service The Entity has been involved in the killings of monarchs poisonings of diplomats financing of South American dictators protection of war criminals laundering of Mafia money manipulation of financial markets provocation of bank failures and financing of arms sales to combatants even as their wars were condemned all in the name of God The contradiction between God s justice and Earth s justice Christian beliefs and Christian power all fall before the motto of the Entity With the Cross and the Sword A true story that surpasses any novel by John le Carr El Pa s Spain An investigation worthy of a Pulitzer Frattini puts all the secrets of the Vatican out on the table Di rio de Noticias Portugal A devastating book Valeurs France A must read El Universal Mexico
