George Waas,2023-12-19 Since the attack on the Capitol on January 6 2021 I have posted numerous essays and other commentaries on Facebook They are of varying length on matters of politics law history personal matters and other subjects as well My first book on social musings contains 142 Facebook posts My second book is a continuation of my posts an additional 118 My third book adds another 104 My fourth book adds 78 more My fifth book adds another 85 My sixth book includes another 116 musings Book 7 adds another 106 for a combined total of 752 musings As I ve said throughout this series of books I believe in an informed citizenry that relies on facts logic critical thinking and reasoned judgment At a time when too many people rely too heavily on social media and the misinformation and disinformation from those sources at a time when anger and rage too often replace common sense and critical thinking at a time when propaganda is accepted as fact and fact is dismissed if it flies in the face of opinion it is hoped that the essays and social commentaries in this series of books on social media musings will inspire dialogue and further citizen involvement in their communities      **The Internet**
