EDITED BY PAMELA STERN & LISA STEVENSON

Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography

Igor Krupnik

Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography:

Critical Inuit Studies Pamela R. Stern, Lisa Stevenson, 2006-12-01 *Critical Inuit Studies* offers an overview of the current state of Inuit studies by bringing together the insights and fieldwork of more than a dozen scholars from six countries currently working with Native communities in the far north. The volume showcases the latest methodologies and interpretive perspectives, presents a multitude of instructive case studies with individuals and communities, and shares the personal and professional insights from the fieldwork and thought of distinguished researchers. The wide-ranging topics in this collection include the development of a circumpolar research policy, the complex identities of Inuit in the twenty-first century, the transformative relationship between anthropologist and collaborator, the participatory method of conducting research, the interpretation of body gesture and the reproduction of culture, the use of translation in oral history, memory, and the construction of a collective Inuit identity, the intricate relationship between politics, indigenous citizenship, and resource development, the importance of place names, housing policies, and the transition from igloos to permanent houses and social networks in the urban setting of Montreal.

Critical Inuit Studies Pamela R. Stern, Lisa Stevenson, 2006 Over the past decade, some of the most innovative work in anthropology and related fields has been done in the Native communities of circumpolar North America. *Critical Inuit Studies* offers an overview of the current state of Inuit studies by bringing together the insights and fieldwork of more than a dozen scholars from six countries currently working with Native communities in the far north. The volume showcases the latest methodologies and interpretive perspectives, presents a multitude of instructive case studies with individuals and communities, and shares the personal and professional insights from the fieldwork and thought of distinguished researchers. The wide-ranging topics in this collection include the development of a circumpolar research policy, the complex identities of Inuit in the twenty-first century, the transformative relationship between anthropologist and collaborator, the participatory method of conducting research, the interpretation of body gesture and the reproduction of culture, the use of translation in oral history, memory, and the construction of a collective Inuit identity, the intricate relationship between politics, indigenous citizenship, and resource development, the importance of place names, housing policies, and the transition from igloos to permanent houses and social networks in the urban setting of Montreal. *Critical Inuit Studies* is essential reading for students and scholars interested in today's circumpolar North and in contemporary Native communities.

Critical Studies of the Arctic Marjo Lindroth, Heidi Sinevaara-Niskanen, Monica Tennberg, 2022-10-01 This book is a pioneering effort in critical Arctic studies. The contributions identify and investigate some of the blind spots in human development in the Arctic that research in the social sciences had yet to broach. To this end, the authors tap a variety of critical approaches in fields spanning aesthetics, affect theory, biopolitics, critical geopolitics, Indigenous archaeology, intersectionality, legal anthropology, moral economy, narrative studies, neoliberal governmentality, queer studies, and socio-legal studies. The chapters probe topics such as representations of the Arctic in contemporary art, the

role of affects in postcolonial Greenland Canada's Arctic policies and China's engagement with the Arctic The book provides a rich knowledge base for researchers in Arctic social sciences and offers an absorbing textbook for students interested in Arctic issues

Early Inuit Studies Igor Krupnik, 2016-02-16 This collection of 15 chronologically arranged papers is the first ever definitive treatment of the intellectual history of Eskimology known today as Inuit studies the field of anthropology preoccupied with the origins history and culture of the Inuit people The authors trace the growth and change in scholarship on the Inuit Eskimo people from the 1850s to the 1980s via profiles of scientists who made major contributions to the field and via intellectual transitions themes that furthered such developments It presents an engaging story of advancement in social research including anthropology archaeology human geography and linguistics in the polar regions Essays written by American Canadian Danish French and Russian contributors provide for particular trajectories of research and academic tradition in the Arctic for over 130 years Most of the essays originated as papers presented at the 18th Inuit Studies Conference hosted by the Smithsonian Institution in October 2012 Yet the book is an organized and integrated narrative its binding theme is the diffusion of knowledge across disciplinary and national boundaries A critical element to the story is the changing status of the Inuit people within each of the Arctic nations and the developments in national ideologies of governance identity and treatment of indigenous populations This multifaceted work will resonate with a broad audience of social scientists students of science history humanities and minority studies and readers of all stripes interested in the Arctic and its peoples

The Routledge Handbook of the Polar Regions Mark Nuttall, Torben R Christensen, Martin Siegert, 2018-07-18 The Routledge Handbook of the Polar Regions is an authoritative guide to the Arctic and the Antarctic through an exploration of key areas of research in the physical and natural sciences and the social sciences and humanities It presents 38 new and original contributions from leading figures and voices in polar research policy and practice as well as work from emerging scholars This handbook aims to approach and understand the Polar Regions as places that are at the forefront of global conversations about some of the most pressing contemporary issues and research questions of our age The volume provides a discussion of the similarities and differences between the two regions to help deepen understanding and knowledge Major themes and issues are integrated in the comprehensive introduction chapter by the editors who are top researchers in their respective fields The contributions show how polar researchers engage with contemporary debates and use interdisciplinary and multidisciplinary approaches to address new developments as well as map out exciting trajectories for future work in the Arctic and the Antarctic The handbook provides an easy access to key items of scholarly literature and material otherwise inaccessible or scattered throughout a variety of specialist journals and books A unique one stop research resource for researchers and policymakers with an interest in the Arctic and Antarctic it is also a comprehensive reference work for graduate and advanced undergraduate students

The Inuit World Pamela Stern, 2021-11-23 The Inuit World is a robust and holistic reference source to contemporary Inuit life from the intimate world of the household to the global stage

Organized around the themes of physical worlds moral spiritual and intellectual worlds intimate and everyday worlds and social and political worlds this book includes ethnographically rich contributions from a range of scholars including Inuit and other Indigenous authors The book considers regional social and cultural differences as well as the shared histories and common cultural practices that allow us to recognize Inuit as a single distinct Indigenous people The chapters demonstrate both the historical continuity of Inuit culture and the dynamic ways that Inuit people have responded to changing social environmental political and economic conditions Chapter topics include ancestral landscapes tourism and archaeology resource extraction and climate change environmental activism and women s leadership This book is an invaluable resource for students and researchers in anthropology Indigenous studies and Arctic studies and those in related fields including geography history sociology political science and education

The Cambridge History of the Polar Regions Adrian Howkins,Peder Roberts,2023-05-11 The Cambridge History of the Polar Regions is a landmark collection drawing together the history of the Arctic and Antarctica from the earliest times to the present Structured as a series of thematic chapters an international team of scholars offer a range of perspectives from environmental history the history of science and exploration cultural history and the more traditional approaches of political social economic and imperial history The volume considers the centrality of Indigenous experience and the urgent need to build action in the present on a thorough understanding of the past Using historical research based on methods ranging from archives and print culture to archaeology and oral histories these essays provide fresh analyses of the discovery of Antarctica the disappearance of Sir John Franklin the fate of the Norse colony in Greenland the origins of the Antarctic Treaty and much more This is an invaluable resource for anyone interested in the history of our planet

Studying Arctic Fields Richard C. Powell,2017-12-12 A study of social and cultural life at a scientific research station in the Arctic

Writing Anthropology F. Bouchetoux,2013-12-03 A call for new methods for anthropology this book explores the nature of anthropological knowledge and the conditions of integration and communication with people Starting with an analysis of anthropologists guilt Fan addresses issues of reflexivity reciprocity and respect then builds on this to evaluate how researchers generate knowledge

Power through Testimony Brieg Capitaine,Karine Vanthuyne,2017-04-03 Power through Testimony documents how survivors are remembering and reframing our understanding of residential schools in the wake of the 2007 Indian Residential Schools Settlement Agreement and the Truth and Reconciliation Commission TRC a forum for survivors families and communities to share their memories and stories with the Canadian public The commission closed and reported in 2015 and this timely volume reveals what happened on the ground Drawing on field research during the commission and in local communities the contributors document how residential schools have been understood and represented by various groups and individuals over time how survivors are undermining colonial narratives about residential schools and how the churches and former school staff are receiving or resisting the new residential school story Ultimately Power through Testimony questions the power of the TRC to unsettle

dominant colonial narratives about residential schools and transform the relationship between Indigenous people and Canadian society

Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic.

While downloading Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography Books

1. Where can I buy Critical Inuit Studies An Anthology Of Contemporary Arctic Ethnography books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
