**Kumazawa Banzan**

## **Critical Readings In The Intellectual History Of Early Modern Japan:**

**Critical Readings in the Intellectual History of Early Modern Japan** W. J. Boot, 2012 Provides an overview of recent research into the most fascinating period in the development of Japanese thought Against a background of Buddhism which all through the period remained the state sponsored religion Chinese studies spread and became the basis of all higher education

**Tetsugaku Companion to Ogyu Sorai** W.J. BOOT, Daiki TAKAYAMA, 2019-10-22 This book contains short analyses kaidai of Ogy Sorai s 1666 1728 most important works as well as a biography and a number of essays The essays explore various aspects of his teachings of the origins of his thought and of the reception of his ideas in Japan China and Korea before and after modernization struck in the second half of the nineteenth century Ogy Sorai has come to be considered the pivotal thinker in the intellectual history of Early Modern Japan More research has been done on Sorai than on any other Confucian thinker of this period This book disentangles the modern reception from the way in which Sorai s ideas were understood and evaluated in Japan and China in the century following his death The joint conclusion of the research of a number of the foremost specialists in Japan Taiwan and the West is that Sorai was and remains an original innovative and important thinker but that his position within East Asian thought should be redefined in terms of the East Asian tradition to which he belonged and not in the paradigms of European History of Philosophy or Intellectual History The book represents up to date scholarship and allows both the young scholar to acquaint himself with Sorai and the intellectual historian to compare Sorai with other thinkers of other times and of other philosophical traditions

Dao Companion to Japanese Confucian Philosophy Chun-chieh Huang, John Allen Tucker, 2014-09-05 The Dao Companion to Japanese Confucian Philosophy will be part of the handbook series Dao Companion to Chinese Philosophy published by Springer This series is being edited by Professor Huang Yong Professor of Philosophy at Kutztown University and Editor of Dao A Journal of Comparative Philosophy This volume includes original essays by scholars from the U S Europe Japan and China discussing important philosophical writings by Japanese Confucian philosophers The main focus historically will be the early modern period 1600 1868 when much original Confucian philosophizing occurred and Confucianism in modern Japan The Dao Companion to Japanese Confucian Philosophy makes a significant contribution to the Dao handbook series and equally to the field of Japanese philosophy This new volume including original philosophical studies will be a major contribution to the study of Confucianism generally and Japanese philosophy in particular

*Listen, Copy, Read*, 2014-09-11 Listen Copy Read Popular Learning in Early Modern Japan endeavors to elucidate the mechanisms by which a growing number of men and women of all social strata became involved in acquiring knowledge and skills during the Tokugawa period It offers an overview of the communication media and tools that teachers booksellers and authors elaborated to make such knowledge more accessible to a large audience Schools public lectures private academies or hand copied or printed manuals devoted to a great variety of topics from epistolary etiquette or personal ethics to calculation divination or painting are here invoked to

illustrate the vitality of Tokugawa Japan's knowledge market and to show how popular learning relied on three types of activities: listening, copying, and reading. With contributions by W. J. Boot, Matthias Hayek, Annick Horiuchi, Michael Kinski, Koizumi Yoshinaga, Peter Kornicki, Machi Senjirō, Christophe Marquet, Markus R. Ttermann, Tsujimoto Masashi, and Wakao Masaki. *Exploring the Dutch Empire* Catia Antunes, Jos Gommans, 2015-05-21. In 1602 the States General of the United Provinces of the Netherlands chartered the first commercial company, the Dutch East India Company, and in so doing initiated a new wave of globalization. Even though Dutch engagement in the Atlantic and Indian Oceans dates back to the 16th century, it was the dawn of the 17th century that brought the Dutch into the fold of the general movement of European expansion overseas and concomitant globalization. This volume surveys the Dutch participation in and contribution to the process of globalization. At the same time, it reassesses the various ways Dutchmen fashioned themselves following the encounter and in the light of increasing dialogue with other societies across the world. As such, *Exploring the Dutch Empire* offers a new insight into the macro and micro worlds of the global Dutchman in Asia, Africa, and the Americas. The result fills a gap in the historiography on empire and globalization, which has previously been dominated by British and, to a lesser extent, French and Spanish cases.

**Kumazawa Banzan: Governing the Realm and Bringing Peace to All below Heaven** Kumazawa Banzan, 2020-11-26. Kumazawa Banzan's 1619–1691 *Responding to the Great Learning* (Daigaku wakumon) stands as the first major writing on political economy in early modern Japanese history. John A. Tucker's translation is the first English rendition of this controversial text to be published in eighty years. The introduction offers an accessible and incisive commentary, including detailed analyses of Banzan's text within the context of his life as well as broader historical and intellectual developments in East Asian Confucian thought. Emphasizing parallels between Banzan's life events, such as his relief efforts in the Okayama domain following devastating flooding, and his later writings advocating compassionate government, environmental initiatives, and projects for growing wealth, Tucker sheds light on Banzan's main objective of governing the realm and bringing peace and prosperity to all below heaven. In *Responding to the Great Learning*, Banzan was doing more than writing a philosophical commentary; he was advising the Tokugawa shogunate to undertake a major reorganization of the polity or face the consequences.

The H-Word Perry Anderson, 2022-11-29. A fascinating history of the political theory of hegemony. Few terms are so widely used in the literature of international relations and political science with so little agreement about their exact meaning as hegemony. In the first full historical study of its fortunes as a concept, Perry Anderson traces its emergence in Ancient Greece and its rediscovery during the upheavals of 1848–1849 in Germany. He then follows its checkered career in revolutionary Russia, fascist Italy, Cold War America, Gaullist France, Thatcher's Britain, post-colonial India, feudal Japan, Maoist China, eventually arriving at the world of Merkel and May Bush and Obama. The result is a surprising and fascinating expedition into global intellectual history, ending with reflections on the contemporary political landscape.

University of Michigan Official Publication, 1963. *The Oxford Handbook of Japanese Philosophy* Bret W.

Davis,2020 This handbook is currently in development with individual articles publishing online in advance of print publication At this time we cannot add information about unpublished articles in this handbook however the table of contents will continue to grow as additional articles pass through the review process and are added to the site Please note that the online publication date for this handbook is the date that the first article in the title was published online Itō Jinsai's Gomō Jigi and the Philosophical Definition of Early Modern Japan Jinsai Itō,1998 This volume presents the first unabridged translation of Ito Jinsai s 1627 1705 Gomo jigi Philosophical Lexicography of the Analects and Mencius 1705 It portrays Jinsai as a Kyoto philosopher who articulated a worldview for townspeople in an age of samurai domination
