Crossing Aisle Switching Legislators Postwar:

Crossing the Aisle Antoine Yoshinaka, 2015-11-24 Switching parties is arguably the most important decision a politician will ever make This book is the first ever systematic study of the causes and consequences of legislative party switching in the United States The author argues that re election alone does not explain party switching He proposes an ambition based theory that accounts for multiple goals including higher office aspirations and the desire for influence in the legislature with a focus on the electoral costs and the institutional benefits of the decision The book combines the statistical analysis of electoral data and legislative careers in the US Congress and state legislatures with elite interviews of party switchers non switchers and a party leader The case study of a party switcher s decision in real time documents the complexity of the decision in a politician s own words prior to and following the switch The book raises important questions regarding the meaning of a party label

Crossing the Aisle Antoine Yoshinaka, 2016 This book is the first systematic study of the causes and consequences of legislative party switching in the US It provides a sophisticated analysis combining quantitative data from Congress and state legislatures with elite interviews with switchers non switchers and a party leader including a real time look into the decision

Exploring Party Switching in East-Central European Legislatures Andrzej Antoszewski, Przemysław Żukiewicz, 2024-09-06 This book challenges the approach of relying on election outcomes to analyse party systems contending that changes can be also identified and documented beyond the scope of parliamentary elections through legislative party switching It argues that significant party system changes occur often within parliamentary terms and legislative party switching is not a pathological feature of democracy but rather an integral component of democratic party systems Offering a comprehensive and specific theoretical framework for party switching and based on a novel and exhaustive database from Czech Republic Lithuania and Poland this book examines the determinants for and implications of legislative party switching in Central and Eastern Europe This book will be of key interest to scholars and students of legislative studies party politics Central and East European politics and more broadly comparative politics and government The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Any third party material in this book is not included in the OA Creative Commons license unless indicated otherwise in a credit line to the material Please direct any permissions enquiries to the original rightsholder

Party Switching in Israel Csaba Nikolenyi, 2023-05-01 This is the first book about the politics of party switching or floor crossing better known as kalanterism in Israeli politics The Israeli parliament adopted legislation in 1991 that imposed penalties on parliamentary defectors However as the book documents the effect of this legislation was extremely puzzling the frequency of party switches has increased over time and most switches have taken the form of party splits making Israeli legislative parties increasingly less cohesive and united Building on evidence from parliamentary debates committee records and contemporary journalistic accounts author Csaba Nikolenyi

shows that notwithstanding these unexpected consequences the Israeli anti defection legislation proved to be an important tool that governments could use to divide their opposition and shore up their often fragile parliamentary base of support

Voting and Political Representation in America Mark P. Jones, 2020-02-24 Examines voting trends and political representation in the United States today with a special focus on debates over voting rights voter fraud and voter suppression and election rules and regulations including those related to gerrymandering campaign fundraising and other controversial subjects Do average Americans have a voice in Washington Are they well represented or are they marginalized Do elections reflect fundamental democratic institutions and values or are they tarnished by voter suppression voter fraud gerrymandering or other factors To what extent do America s elected officials reflect the diversity of race religion gender socioeconomic background sexual orientation and political views of the wider American population This encyclopedia explores all these questions and more It examines important mechanisms and laws shaping political representation in America in the 21st century such as term limits gerrymandering the Electoral College and direct democracy ballot initiatives and referendums and the degree to which various demographic groups are represented in state and federal legislatures from Latinos and senior citizens to atheists and residents of rural states It also explains the basis for escalating concerns about both voter fraud and voter suppression

The Jeffords Switch Nathan Monroe, Chris Den Hartog, 2019-07-03 Senator Jim Jeffords left the Republican Party in May 2001 and became an independent Because he agreed to vote with the Democrats on organizational votes this gave that party a 51 49 majority in the Senate Using the Jeffords switch Chris Den Hartog and Nathan W Monroe examine how power is shared and transferred in the Senate as well as whether Democratic bills became more successful after the switch They also use the data after the switch when the Republican Party still held a majority on many Democratic Party led committees to examine the power of the committee chairs to influence decisions While the authors find that the majority party does influence Senate decisions Den Hartog and Monroe are more interested in exploring the method and limits of the majority party to achieve its goals

Congress Reconsidered Lawrence C. Dodd, Bruce I. Oppenheimer, C. Lawrence Evans, 2020-12-22 Since its first edition Congress Reconsidered was designed to make available the best contemporary work from leading congressional scholars in a form that is both challenging and accessible to undergraduates With their Twelfth Edition Lawrence C Dodd Bruce I Oppenheimer and C Lawrence Evans continue this tradition as their contributors focus on how various aspects of Congress have changed over time C Lawrence Evans partners with Wendy Schiller to discuss the U S Senate and the meaning of dysfunction Molly E Reynolds analyzes the politics of the budget and appropriations process in a polarized Congress and Danielle M Thomsen looks at the role of women and voter preferences in the 2018 elections With a strong new focus on political polarization this bestselling volume remains on the cutting edge with key insights into the workings of Congress

Chaos and Compromise Brian A. Pugh, 2020-10-21 Chaos and Compromise The Evolution of the Mississippi Budgeting Process takes the topic of budgeting and makes it exciting and

not just for political junkies. Instead of focusing on numbers, this book looks at the policymakers responsible for the budget. Brian A. Pugh provides a historical perspective on the decisions and actions of legislators and governors going back more than a century. Pugh reviews how Mississippi's budget making evolved and sifts legislation and litigation as well as those legislators and governors responsible for developing this process. Pugh explains in detail the significant actions taken by the legislative, judicial, and executive branches of government that affected Mississippi's procedures. Significant legislation covered includes the passage of Senate Bill 356 which gave the governor the authority to prepare and submit a budget recommendation in 1918, the passage of the Administrative Reorganization Act of 1984, the passage of the Budget Reform Act of 1992, and the passage of the Financial and Operational Responses That Invigorate Future Years Act (FORTIFY) during the First Extraordinary Session of 2017. The first two chapters provide a historical perspective and give the reader an understanding of how legislation and litigation contributed. The book also covers interventions by the courts which led to the unprecedented separation of powers case *Alexander v. State of Mississippi* by and through Allain in 1983. In addition to discussing important laws and legislators, Pugh takes a detailed look at six of Mississippi's recent governors: Bill Allain, Ray Mabus, Kirk Fordice, Ronnie Musgrove, Haley Barbour, and Phil Bryant, to examine their methods for getting the legislature to include their ideas in the often anguished process of making a budget.

The Battle for U.S. Foreign Policy Patrick Homan, Jeffrey S. Lantis, 2019-12-04. This book is an original study of the contemporary debate over U.S. foreign policy between the president, members of Congress, and political parties. Specifically, it examines how factions at the ideological extremes within parties such as the Tea Party, the Freedom Caucus, and Progressive Democrats can play significant roles in shaping U.S. foreign policy. In today's polarized atmosphere where Americans seem increasingly divided, factions are emerging as powerful insurgents, innovators, and engines of change. The book develops a minority theory of influence that recognizes the importance of traditional and nontraditional strategies including persuasion, legislation, and issue framing. Original case studies explore factions at work in foreign policy development during the Barack Obama and Donald Trump administrations, including struggles over immigration policy, trade agreements, development aid, and foreign policies toward Iran and Syria. *The Battle for U.S. Foreign Policy* captures the spirit of ideological and practical party struggles and fills a substantial gap in foreign policy analysis literature.

The Dynamics of Southern Politics Seth C. McKee, 2018-07-17. I cannot praise the author enough for rising to the challenge of providing students with an accessible trip through time to show the emergence of the one-party South and how the South evolved over time. Keith Lee, Georgia College. Taking a hard look at the changing demographics in the American South, *The Dynamics of Southern Politics* discusses how this region remains exceptional while also addressing how that exceptionalism is eroding. Author Seth McKee tells a historically rich story going back to the end of the Civil War, tracks electoral changes to the present, and explores some of the most significant components contributing to partisan change. Supported by a host of detailed tables and figures, this book pairs a strong

historical foundation with an in depth analysis of the contemporary region

This Enthralling World of E-book Books: A Thorough Guide Revealing the Pros of Kindle Books: A World of Convenience and Flexibility Kindle books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of physical books. Done are the days of lugging bulky novels or carefully searching for particular titles in bookstores. While this might not be the Crossing Aisle Switching Legislators Postwar full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Crossing Aisle Switching Legislators Postwar eBooks, including some popular titles.

FAQs About Crossing Aisle Switching Legislators Postwar Books

What is a Crossing Aisle Switching Legislators Postwar PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Crossing Aisle Switching Legislators Postwar PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Crossing Aisle Switching Legislators Postwar PDF?** Editing a PDF

can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Crossing Aisle Switching Legislators Postwar PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Crossing Aisle Switching Legislators Postwar PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
