Cicero Catilinarians Cambridge Greek And Latin Classics:

Catilinarians Marcus Tullius Cicero, 2008-04-10 A commentary for students on the four speeches delivered by Cicero during the crisis of 63 BC when as consul he faced a conspiracy to overthrow the Roman state launched by the frustrated consular candidate Lucius Sergius Catilina They show him at the height of his oratorical powers and political influence

Cicero's Catilinarians D. H. Berry, 2020 The Catilinarians are a set of four speeches that Cicero while consul in 63 BC delivered before the senate and the Roman people against the conspirator Catiline and his followers Or are they Cicero did not publish the speeches until three years later and he substantially revised them before publication rewriting some passages and adding others all with the aim of justifying the action he had taken against the conspirators and memorializing his own role in the suppression of the conspiracy How then should we interpret these speeches as literature Can we treat them as representing what Cicero actually said Or do we have to read them merely as political pamphlets from a later time In this the first book length discussion of these famous speeches D H Berry clarifies what the speeches actually are and explains how he believes we should approach them In addition the book contains a full and up to date account of the Catilinarian conspiracy and a survey of the influence that the story of Catiline has had on writers such as Sallust and Virgil Ben Jonson and Henrik Ibsen from antiquity to the present day *Cicero: Oxford Bibliographies Online Research Guide* Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com **The Fall of the Roman Republic** Cassius Dio, 2024 This book presents the first English translation to appear for over a hundred years of a key text Books 36-40 of Cassius Dio's Roman History which is not only the fullest surviving account of the last twenty years before the Roman Republic collapsed 69-50 BCE but is also a vivid and compelling historical narrative **Cicero's Political Personae** Joanna Kenty, 2020-09-10 Provides new insights into Cicero's political manoeuvring and the subtleties of his Latin prose The World of the Fullo Miko
