Representing Place and Territorial Identities in Europe Tiziana Banini, Oana-Ramona Ilovan, 2021-03-16 This book provides insight into the topic of place and territorial identity which involves both the dimension of collective belonging and the politics of territorial planning and enhancement It considers the social economic and political effects of territorial identity representations among others in terms of mystification spatial fetishism and the creation of place and territorial stereotypes A mixed methodology is employed to research case studies at diverse territorial scales which are relevant to the impact of a variety of factors on place territorial identity processes such as migration political and economic changes natural disasters land use changes etc Visual imagery constructing visual discourses and living within visual cultures are placed in the foreground and refer to among others the changes and challenges introduced by the Internet and social networks in place territory representations and self representations identity politics and its impact on place territorial identity representations discourses in shaping representations and self representations of territorial place based identities related to collective memory cultural heritage invented tradition imagined communities and other key notions Social, Legal, and Ethical Implications of IoT, Cloud, and Edge Computing Technologies Cornetta, Gianluca, Touhafi, Abdellah, Muntean,

Gabriel-Miro,2020-06-26 The adoption of cloud and IoT technologies in both the industrial and academic communities has enabled the discovery of numerous applications and ignited countless new research opportunities With numerous professional markets benefiting from these advancements it is easy to forget the non technical issues that accompany technologies like these Despite the advantages that these systems bring significant ethical questions and regulatory issues have become prominent areas of discussion Social Legal and Ethical Implications of IoT Cloud and Edge Computing Technologies is a pivotal reference source that provides vital research on the non technical repercussions of IoT technology adoption While highlighting topics such as smart cities environmental monitoring and data privacy this publication explores the regulatory and ethical risks that stem from computing technologies This book is ideally designed for researchers engineers practitioners students academicians developers policymakers scientists and educators seeking current research on the sociological impact of cloud and IoT technologies

Marginality and Modernity Mauro Giardiello,2017-07-05 This book traces the major stages in the evolution of the sociological concept of marginality highlighting in particular the contribution made by Gino Germani Its purpose is to analyse starting with the sociological theory of the early 1960s the progressive maturation of the scientific status of the concept of marginality and to test the theoretical premise that gave rise to Germani s theory of marginality The author begins by examining the contribution of the Chicago School He explores the complex relationship between the theory of marginality and modernization by analysing North American theses and the criticisms mainly generated in Latin America The goal is to reconstruct Germani s theoretical model of marginality addressing its application to contemporary social and economic conditions Giardiello s analysis is intertwined with two themes that are central to Germani s thought about marginality The first concerns the origin of the concept of social exclusion within sociological thought The second shows how marginality is clearly a phenomenology connected to the contradictions of modernity Germani s paradigm of marginality enables the social scientist to resolve the contradictions between the analytical perspectives that deal with marginality in an objective way and the one that observes it subjectively

Senses in Cities Kelvin Low,Devorah Kalekin-Fishman,2017-10-05 Urban landscapes are usually thought of first and foremost as engineered formations designed for functionality It is quite clear however that cities and towns are sites of social structure scenes of diversity and hotbeds of transgressions They are also sources of satisfying social relationships settings for actions negotiated on an everyday basis and opportunities for kinesthetic and aesthetic experiences Within these processes the senses mediate engagement with the optimism of urban growth the comfort of urban traditions and a consciousness of the diverse relationships that embellish urban living but also with the repellent sights and sounds that invade zones of comfort This book examines how qualities of place and their sensuous reorganisation elucidate particular sociocultural expressions and practices in urban life The collection illuminates how urban environments are distinguished valued or reconfigured with the senses as media for evaluating authentic spaces and places that endure and change over time

Smart Cities and Connected Intelligence Nicos Komninos, 2019-12-05 Internet and World Wide Web platforms big data analytics software social media and civic technologies allow for the creation of smart ecosystems in which connected intelligence emerges and disruptive social and eco innovation flourishes This book focuses on three grand challenges that matter for any territory no matter where it is located i smart growth a path that more and more cities regions and countries are adopting having realised the unlimited potential of growth that is based on knowledge innovation and digital technologies ii safety and security which is a pre requisite for quality of life in a world of intense social natural and technological threats and iii sustainability use of renewable energy protection of living ecosystems addressing climate change and global warming in a period of rapid urbanisation that makes established sustainability models and planning patterns quickly obsolete The core argument of the book is that problem solving and novel solutions to these grand challenges emerge in smart ecosystems through connected intelligence It is the broadest form of intelligence that combines capabilities from heterogeneous actors humans organisations machines and propel problem solving through externalities and resource agglomeration user engagement and collaboration awareness and behaviour change This book will be of interest to students and researchers of urban and regional studies innovation studies economic geography and urban planning as well as urban policy makers

Creative Placemaking Cara Courage, Anita McKeown, 2018-10-03 This book makes a significant contribution to the history of placemaking presenting grassroots to top down practices and socially engaged situated artistic practices and artsled spatial inquiry that go beyond instrumentalising the arts for development The book brings together a range of scholars to critique and deconstruct the notion of creative placemaking presenting diverse case studies from researcher practitioner funder and policymaker perspectives from across the globe It opens with the creators of the 2010 White Paper that named and defined creative placemaking Ann Markusen and Anne Gadwa Nicodemus who offer a cortically reflexive narrative on the founding of the sector and its development This book looks at vernacular creativity in place a topic continued through the book with its focus on the practitioner and community placed projects It closes with a consideration of aesthetics metrics and from the editors a consideration of the next ten years for the sector If creative placemaking is to contribute to places in the making and encourage citizenled agency new conceptual frameworks and practical methodologies are required This book joins theorists and practitioners in dialogue advocating for transdisciplinary resilient processes

Cities And Social Change Encounters With Contemporary Urbanism Introduction

In today's digital age, the availability of Cities And Social Change Encounters With Contemporary Urbanism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Cities And Social Change Encounters With Contemporary Urbanism books and manuals for download, along with some popular platforms that offer these resources.

One of the significant advantages of Cities And Social Change Encounters With Contemporary Urbanism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Cities And Social Change Encounters With Contemporary Urbanism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Cities And Social Change Encounters With Contemporary Urbanism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge.

Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Cities And Social Change Encounters With Contemporary Urbanism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Cities And Social Change Encounters With Contemporary Urbanism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Cities And Social Change Encounters With Contemporary Urbanism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Cities And Social Change Encounters With Contemporary Urbanism books and manuals for download and embark on your journey of knowledge?
