Hadley, 2017-09-19 This commemorative volume records a special kind of dual citizenship Canadians exercising the profession of the sea in their nation's service while also living out civilian occupations in their home communities The perspectives of these citizen sailors provide an interesting valuable and timely alternative history of the Navy

Citizen Sailors Richard H. Gimblett, Michael L. Hadley, 2010-11-16 This commemorative volume records a special kind of dual citizenship Canadians exercising the profession of the sea in their nation's service while also living out civilian occupations in their home communities The perspectives of these citizen sailors provide an interesting valuable and timely alternative history of the Navy

The Silent Service's First Hero Ryan C Walker, 2024-11-30 A comprehensive microhistorical exploration of Henry Breault's life celebrating his legacy as the first submariner to receive the Congressional Medal of Honor Celebrating 100 years since the first submariner received the Congressional Medal of Honor dive into pre World War II submarine history through the first comprehensive analytical investigation into the life and times of Henry Breault From 1900-41 Breault's life is reconstructed as lived through his Official Military Personnel File census records newspaper clippings and connecting previous research Breault's childhood his enlistments in the Royal Navy Canadian Volunteer Reserve and the United States Navy are carefully reconstructed From there the conditions aboard the submarines he served on his relationship with friends and family his relationship to the women in his life and his concept of masculinity and material identity allow us to better understand his life in the context he likely understood them This book provides a new template for microhistorical observations into subjects whose primary sources are official military documentation to help better understand enlisted submariners

The EU, Irish Defence Forces and Contemporary Security Jonathan Carroll, Matthew G. O'Neill, Mark Williams, 2023-01-23 This book aids any researcher policymakers and military personnel in researching small states and militaries European defence and security policy as well as contemporary and emerging threats This edited collection gathers academic commentators on Irish defence policy military leaders from across the service components of the Irish Defence Forces and European defence experts to contribute to the first in depth conversation and analysis on modern Irish defence and its application within the European Union The aim of this edited book is to ascertain

what capabilities are robust which are lacking what future threats need to be catered for and what action is needed to ensure those threats will be addressed going forward This book will explore emerging issues and applications of modern and contemporary threats within the context of Ireland Europe and Western institutions We have invited submissions from scholars commentators policymakers and military practitioners to evaluate the Irish Defence Forces and to illustrate the complexities facing small nations in formulating and resourcing defence and national security policy

A War Guest in Canada W.A.B. Douglas,2023-09-12 During the Second World War hundreds of children were sent from the UK to stay with family and friends in Canada as war guests This book collects the letters of one such war guest young W A B Alec Douglas who wrote from his wartime home in Toronto to his mother back home in London Alec wrote home every week although sometimes he forgot to post his letters and they were delayed and some letters did not get through Occasionally his godmother and host Mavis Fry would add comments and write her own more detailed letters Also included are letters from Lillian Kingston who brought Alec to North America in 1940 This is a story of exposure at an impressionable age to ocean passage in wartime the sights and sounds of New York the totally new and unfamiliar world of Canada the wonderful excitement of passage home in a Woolworth Aircraft Carrier as a Guest of the Admiralty and his eventful return to a world he had left behind three years before A War Guest in Canada includes a foreword by Cynthia Comacchio and an introduction by Roger Sarty

Total Defence Forces in the Twenty-First Century Joakim Berndtsson,Irina Goldenberg,Stéfanie von Hlatky,2023-12-15 Total defence as a concept combines and extends military and civil defence in a state of war or emergency all social institutions mobilize to defend the state Total defence forces led by a diverse workforce of defence and security professionals are critical to both national defence and international security goals Total Defence Forces in the Twenty First Century looks at the various groups that make up this workforce members of the military s regular force reservists defence civil servants and contractors working for private military and security companies When civilian staff and military personnel work towards a common goal their distinct professional cultures and identities can make integration challenging Despite the often high levels of partnership underlying differences affect the quality of the collaboration and ultimately organizational and operational effectiveness Defence ministries around the world are increasingly recognizing the importance of optimizing the ways in which they employ and integrate civilian and military personnel This volume focuses on a critical question what are the main challenges to workforce integration and collaboration and how can such challenges be overcome to deliver the full potential of the total defence force Together scholars and practitioners provide some answers

Americans at War in Foreign Forces Chris Dickon,2014-07-31 The role of Americans in the two world wars is well known but with a glaring exception one that reveals a little known aspect of the common history of the United States and Canada By the time of the American entrance into World War I in April 1917 and World War II in December 1941 tens of thousands of Americans had already fought and died in those conflicts in the uniforms of other nations Most had quietly traveled over the northern border

to join the ground air and naval forces of the Commonwealth nations others to France Poland China and the other nations and armed forces that played a role in the continuing world conflict of the first half of the century In preceding their own nation to war they influenced the course of events in those years and though threatened with loss of citizenship were ultimately met with the acceptance of their own government This book tells the story of who these Americans were why they took the actions they did their experiences in war and the effects of their presence as Americans in foreign forces Into the Blizzard Michael Winter, 2014-11-04 In June a few years ago I set out to visit some of the World War One battlefields of Europe the slope and valley and river and plain that the Newfoundland Regiment trained on and fought over and through and under So begins Michael Winter s extraordinary narrative that follows two parallel journeys one laid on top of the other like a sketch on opaque paper over the lines of an old map The first journey is that of the young men who came from Newfoundland s outports fields villages and narrow city streets to join the storied regiment that led many of them to their deaths at Beaumont Hamel during the Battle of the Somme on July 1 1916 The second journey is the author s taken a century later as he walks in the footsteps of the dead men to discover what remains of their passage across land and through memory Part unconventional history part memoir travelogue part philosophical inquiry Michael Winter uniquely captures the extraordinary lives and landscapes both in Europe and at home scarred by a war that is just now disappearing from living memory In subtle and surprising ways he also tells the hidden story of the very act of remembering of how the past bleeds into the present and the present corrals and shapes the past As he wanders from battlefield to barracks to hospital to hotel and finally to a bereft stretch of land battered by a blizzard back home Winter gently but persistently unsettles us startling us with the unexpected encounters and juxtapositions that arise from his physical act of walking through the places where the soldiers once marched this time armed with artifacts and knowledge those earlier souls could not have yet undone by the reality of their bodily presence beneath the earth In this unusual poignant and beautiful book Michael Winter gives us a new way of looking at a powerful piece of history that he reminds us continues to haunt our own lives

Yeah, reviewing a book **Citizen Sailors Chronicles Of Canadas Naval Reserve 1910 2010** could increase your close links listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have fantastic points.

Comprehending as with ease as contract even more than other will present each success. neighboring to, the broadcast as competently as acuteness of this Citizen Sailors Chronicles Of Canadas Naval Reserve 1910 2010 can be taken as with ease as picked to act.
