Citizenship: A Very Short Introduction Richard Bellamy, 2008-09-25 Interest in citizenship has never been higher But what does it mean to be a citizen in a modern complex community Richard Bellamy approaches the subject of citizenship from a political perspective and in clear and accessible language addresses the complexities behind this highly topical issue

Citizenship Richard Paul Bellamy, 2008 Interest in citizenship has never been higher But what does it mean to be a citizen in a modern complex community Richard Bellamy approaches the subject of citizenship from a political perspective and in clear and accessible language addresses the complexities behind this highly topical issue *Citizenship* Richard Yarwood, 2013-12-17 The idea of citizenship is widely used in daily life Citizenship tests are used to determine who can inhabit a country citizen charters have been used to prescribe levels of service provision citizens juries are used in planning or policy enquiries citizenship lessons are taught in schools youth organisations attempt often aim to instil good citizenship active citizens are encouraged to contribute voluntary effort to their local communities and campaigners may use citizens rights to achieve their goals What is meant by citizenship is never static and the subject of debate by academics politicians and activists These ideas are manifest and contested at a range of different scales This book therefore argues geography is crucial to understanding citizenship The text is organised around a number of spatial themes to examine how spatialities of citizenship are played out at a range of scales Ideas about locality boundaries mobility networks rurality and globalisation are used to reveal the importance of space and place in the constitution contestation and performance of citizenship In doing so the book reveals how different ideas of citizenship can include or exclude people from society and space Consideration is given to ways in which different groups have sought to empower themselves through various actions associated with and beyond conventional notions of citizenship Written in an accessible way with detailed case studies to illustrate conceptual ideas and approaches this book offers social scientists new spatial perspectives on citizenship while also bridging together strands of social cultural and political geography in ways that deepen understandings of people and place **Citizenship** Dmitry Kochenov, 2019-11-12 The story of citizenship as a tale not of liberation dignity and nationhood but of complacency hypocrisy and domination The glorification of citizenship is a given in today's world part of a civic narrative that invokes liberation dignity and nationhood In reality explains Dmitry Kochenov citizenship is a story of complacency hypocrisy and domination flattering to citizens and demeaning for noncitizens In this volume in the MIT Press Essential Knowledge series Kochenov explains the state of citizenship in the modern world Kochenov offers a critical introduction to a subject most often regarded uncritically describing what citizenship is what it entails how it came about and how its role in the world has been changing He examines four key elements of the concept status considering how and why the status of citizenship is extended what function it serves and who is left behind rights particularly the right to live and work in a state duties and what it means to be a good citizen and politics as enacted in the granting and enjoyment of citizenship Citizenship promises to apply the

attractive ideas of dignity equality and human worth but to strictly separated groups of individuals Those outside the separation aren't citizens as currently understood and they do not belong Citizenship Koehenov warns is too often a legal tool that justifies violence humiliation and exclusion

Encyclopedia of Citizenship Studies Marisol García Cabeza, Thomas Faist, 2024-04-12 This Encyclopedia presents a comprehensive collection of entries addressing the normative claims and definitions of the critical concepts principles and approaches that make up the field of citizenship studies

Citizenship after Orientalism Engin Isin, 2016-04-29 This edited volume presents a critique of citizenship as exclusively and even originally a European or Western institution It explores the ways in which we may begin to think differently about citizenship as political subjectivity

The Citizenship Experiment René Koekkoek, 2020-01-23 The Citizenship Experiment explores the fate of citizenship ideals in the Age of Revolutions While in the early 1790s citizenship ideals in the Atlantic world converged the twin shocks of the Haitian Revolution and the French Revolutionary Terror led the American French and Dutch publics to abandon the notion of a shared Atlantic revolutionary vision of citizenship Instead they forged conceptions of citizenship that were limited to national contexts restricted categories of voters and advanced stages of civilization Weaving together the convergence and divergence of an Atlantic revolutionary discourse debates on citizenship and the intellectual repercussions of the Terror and the Haitian Revolution Koekkoek offers a fresh perspective on the revolutionary 1790s as a turning point in the history of citizenship

Citizenship in the European Union Anne Wesemann, 2020-10-30 The book proposes a new approach to constitutional analysis of the EU and its legal framework arguing that the existence of constitutional rights norms within EU law enables this particular legal order to respond effectively to societal and political challenges within the rigidity of constitutionalism Providing new perspectives on constitutionalism in the EU this book considers the way the Court of Justice of the European Union CJEU discusses and applies the EU citizenship Treaty norms by analysing the courts approach to decision making which resembles the balancing and weighing of conflicting principles

Citizenship as Foundation of Rights Richard Sobel, 2016-10-26 Citizenship as Foundation of Rights explains what it means to have citizen rights and how national identification requirements undermine them

The Human Right to Citizenship Barbara von Rütte, 2022-12-28 The open access publication of this book has been published with the support of the Swiss National Science Foundation This book offers a comprehensive analysis of the right to citizenship in international and regional human rights law It critically reflects on the limitations of state sovereignty in nationality matters and situates the right to citizenship within the existing human rights framework It identifies the scope and content of the right to citizenship by looking not only at statelessness deprivation of citizenship or dual citizenship but more broadly at acquisition loss and enjoyment of citizenship in a migration context Exploring the intersection of international migration human rights law and belonging the book provides a timely argument for recognizing a right to the citizenship of a specific state on the basis of one's effective connections to that state according to the principle of *jus nexi*
