Coloring Sheets For Kids About Safety:

Child Safety Coloring Book for Kids Spudtc Publishing Ltd,2015-07-03 Do your child loves Child Safety This coloring book for kids is a perfect way to introduce Child Safety in his or her life Fill over 20 pages with bright colors and give them a great activity that sparks their creativity and keeps them busy and entertained for hours You children will not wait to color different Child Safety pictures As a parent you will feel great giving them a fun wholesome and educational activity that sparks their creative spirit Each page contains one or more high quality images for little ones to color Order this coloring book for kids now and start your children s adventure with Child Safety now [Children's Road Safety Coloring Book](#),2021-02-16 *Preventing Home Accidents* Dan Hannan,2012-01-24 Contrary to the perception that the home is a safe environment a person is ten times more likely to sustain a serious injury or die at home as a result of an accident than in the course of their employment This book will help homeowners combat those odds by providing information adapted from proven techniques used by safety professionals Filled with anecdotal descriptions and examples the book offers much more than safety tips as it educates the homeowner in how to control risk through hazard identification Information is concisely organized uniformly formatted and supported by high quality images Chapter topics include fall hazards roofs ladders stairs etc electrical safety fire prevention hand and power tool safety emergency planning and others Added value can be found in the self inspection forms or cheat sheets located at the end of each chapter that the reader can copy to complete their own home safety audit A collection of simple usable safety techniques directed specifically to homeowners like this does not currently exist The target audience is the general public with sales offered through book retail stores building material suppliers i e Home Depot and possibly homeowner insurance companies Chapter sponsorship opportunities are being pursued through featured products i e This chapter on ladder safety brought to you by Werner Ladders This chapter on power tool safety brought to you by DeWalt etc and supporting product imagery for these chapters would feature those manufacturers products There is a statistical gap between what we think we know and what we actually know about home safety Home safety accidents disable more than 12 million people in the home every year and are the fifth leading cause of death Forty five percent of all unintentional deaths occur in and around the home environment claiming the lives of children aging parents spouses partners and friends making the home environment one of the most hazardous environments we inhabit But how can we expect to protect ourselves and the ones we love if we aren t even aware there is a problem Hannan says 75% of all unintentional injuries and deaths in the home hinge on our behavior more specifically on the decisions we make And the first and most important home safety decision we should make is to improve our hazard recognition skills and become more safety conscious Homeowner s can t rely on product recalls or state and federal agencies to keep them and their loved ones safe in the home Unlike other safety campaigns seen in our communities the policing and protection of our home environment depends entirely on the homeowner This book offers simple techniques to raise home safety awareness

and improve our abilities to recognize hazards correct hazards and prevent unintentional accidents from occurring in the home Each chapter of has high quality images to illustrate safety procedures identifies problems and hazards in the home recommends safety practices to assist homeowners in identifying hazards gives action items for proactive prevention of accidents has a safety inspection checklist allowing homeowners to be thorough and organized in their approach to home safety and lists a reference section providing links and other resources for additional related safety information
