Mastering the Olympus OM-D E-M5 Mark III Darrell Young, James W. Johnson, 2021-09-30. Mastering the Olympus OM-D E-M5 Mark III. *Searching for John Ford* Joseph McBride, 2011-02-11. John Ford's classic films such as Stagecoach, The Grapes of Wrath, How Green Was My Valley, The Quiet Man, and The Searchers have earned him worldwide admiration as America's foremost filmmaker, a director whose rich visual imagination conjures up indelible, deeply moving images of our collective past. Joseph McBride's *Searching for John Ford* described as definitive by both the New York Times and the Irish Times, surpasses all other biographies of the filmmaker in its depth, originality, and insight. Encompassing and illuminating Ford's myriad complexities and contradictions, McBride traces the trajectory of Ford's life from his beginnings as Bull Feeney, the nearsighted football-playing son of Irish immigrants in Portland, Maine, to his recognition after a long, controversial, and much-honored career as America's national mythmaker. Blending lively and penetrating analyses of Ford's films with an impeccably documented narrative of the historical and psychological contexts in which those films were created, McBride has at long last given John Ford the biography his stature demands.
