international scholars covering a wide range of topics including werewolves mummies fairies demons time travel ghosts haunted spaces and objects race gender queerness monstrosity madness incest empire medicine and science By interrogating two non consecutive decades we seek to uncover the inter relationships among fantastic literature feminism and modern identity and culture Indeed while this book considers the relationship between the 1890s and 1920s it is more an examination of women s modernism in light of gendered literary production during the fin de si cle than the reverse
