Critical Issues In Ecotourism By Higham James 2007 Paperback

James E. S. Higham, Michael Lück

Critical Issues In Ecotourism By Higham James 2007 Paperback:

Critical Issues in Ecotourism James Higham, 2007-06-07 The first book to identify and comprehensively address hot issues in ecotourism Written by a team of pre eminent international contributors including the UK US Australia and New Zealand Incorporates cutting edge scientific research which exposes the crucial issues **Sustainable Tourism on a Finite Planet** Megan Epler Wood, 2017-02-28 Sustainable Tourism in the 21st Century provides students professionals and policy makers with a global overview of the growth of the tourism industry its impacts supply chains environmental management techniques and research requirements It provides input on how policy makers should approach the tourism industry in future in the fields of environment business governmental policy and sustainable development Reducing Your Carbon Footprint On Vacation Greg Roza, 2008-08-15 Explains ways to have a green vacation from things to do before leaving to environmentally ways of traveling **Environmental Politics in East Asia** Mary Alice Haddad, 2023-12-21 Once viewed as an environmental hazard to the planet East Asia is now at the forefront of pro environmental policymaking The region s progress has been both remarkable and surprising given the pro business orientation of its political systems and their ideological diversity Through a focus on three environmental policy areas exhibiting different levels of success this Element shows how governments in China Japan South Korea and Taiwan have been able to craft pro environmental policy by working in collaboration with business and societal interests The evolution of the region s eco developmental states has resulted in exceptional progress in the areas of green technology and green finance mixed outcomes in pollution management and negligible improvement in addressing environmental justice As the planet seeks guidance in addressing our collective climate crisis East Asia offers both hope and caution for how we can craft pro environmental policies in diverse political contexts

Marine Wildlife and Tourism Management James E. S. Higham, Michael Lück, 2008 This book seeks to underscore the need for scientific approaches to first understanding and then managing tourist interactions with marine wildlife It draws upon the work of leading natural and social scientists whose work serves the interests of sustainable wildlife based marine tourism Thus from within the natural science disciplines of marine biology environmental science behavioural ecology conservation biology and wildlife management come chapters that provide insights into the effects of human disturbance on marine wildlife the impacts that tourists may have upon wild animals and the management approaches to mitigating impacts that may in the long term be biologically significant Equally from the social science disciplines of geography sociology management and social anthropology are drawn chapters that explore demand for marine wildlife experiences the benefits that visitors derive from their experiences ethical and legislative contexts and management issues that arise when tourists interact with populations of wild animals in coastal and marine environments *Sport Tourism and Sustainable Destinations* Brent Moyle, Tom Hinch, James Higham, 2018-12-07 Destinations include the places landscapes and communities where sport tourism development takes place Whether sport tourism development takes the form of sport events active participation in

sport and or sports nostalgia heritage it draws on local resources forms part of the complex dynamic of daily life As such sports tourism has implications for residents with destination communities in a position to benefit from or absorb the costs of the extent to which development is sustainable Subsequently this book features contributions that focus on sport tourism and destination sustainability Issues covered include though are not limited to destination management surf localism the production of space event sustainability in national parks utilisation of sport heritage for destination promotion enhancing the attractiveness of destinations through sport tourism destination development and sport tourism utilising sport to motivate travel to destinations and environmentally responsible behaviour in sports tourism destinations The unique contribution of this edited volume is the multi disciplinary approach applied to enhance conceptual understanding of issues surrounding sport tourism and destination sustainability The chapters originally published as a special issue in the Journal of Sport Tourism

Mountaineering Tourism Ghazali Musa,James Higham,Anna Thompson- Carr,2015-06-05 In May 1993 the British Mountaineering Council met to discuss the future of high altitude tourism Of concern to attendees were reports of queues on Everest and reference was made to mountaineer Peter Boardman calling Everest an amphitheater of the ego Issues raised included environmental and social responsibility and regulations to minimize impacts In the years that have followed there has been a surge of interest in climbing Everest with one day in 2012 seeing 234 climbers reach the summit Participation in mountaineering tourism has surely escalated beyond the imagination of those who attended the meeting 20 years ago This book provides a critical and comprehensive analysis of all pertinent aspects and issues related to the development and the management of the growth area of mountaineering tourism By doing so it explores the meaning of adventure and special reference to mountain based adventure the delivering of adventure experience and adventure learning and education It further introduces examples of settings alpine environments where a general management framework could be applied as a baseline approach in mountaineering tourism development Along with this general management framework the book draws evidence from case studies derived from various mountaineering tourism development contexts worldwide to highlight the diversity and uniqueness of management approaches policies and practices Written by leading academics from a range of disciplinary backgrounds this insightful book will provide students researchers and academics with a better understanding of the unique aspects of tourism management and development of this growing form of adventure tourism across the world

The Business of Sustainability Chris Laszlo,Karen Christensen,Daniel S. Fogel,Gernot Wagner,Peter J. Whitehouse,2010-01-01 The Business of Sustainability is a core resource for policy makers members of the development community entrepreneurs and corporate executives as well as business and economics students and their professors It contains rich analysis of how sustainability is being factored into industries across the globe with enlightening case studies of businesses serving as agents of change Contributing authors provide a groundbreaking body of research based knowledge They explain that the concept of sustainability is being re framed to be positive about business instead of being tied to the old

notion of a trade off between business and society that is if business wins society and the environment must lose and they explore how economic development can contribute to building our common future Whale-watching James Higham, Lars Bejder, Rob Williams, 2014-03-27 A critical insight into the diverse socio cultural political economic and ecological contexts of the global whale watching industry **Tourism and National Parks** Warwick Frost, C. Michael Hall, 2012-08-21 In 1872 Yellowstone was established as a National Park The name caught the public's imagination and by the close of the century other National Parks had been declared not only in the USA but also in Australia Canada and New Zealand Yet as it has spread the concept has evolved and diversified In the absence of any international controlling body individual countries have been free to adapt the concept for their own physical social and economic environments Some have established national parks to protect scenery others to protect ecosystems or wildlife Tourism has also been a fundamental component of the national parks concept from the beginning and predates ecological justifications for national park establishment though it has been closely related to landscape conservation rationales at the outset Approaches to tourism and visitor management have varied Some have stripped their parks of signs of human settlement while increasingly others are blending natural and cultural heritage and reflecting national identities This edited volume explores in detail the origins and multiple meanings of National Parks and their relationship to tourism in a variety of national contexts It consists of a series of introductory overview chapters followed by case study chapters from around the world including insights from the US Canada Australia UK Spain France Sweden Indonesia China and Southern Africa Taking a global comparative approach this book examines how and why national parks have spread and evolved how they have been fashioned and used and the integral role of tourism within national parks The volume's focus on the long standing connection between tourism and national parks and the changing concept of national parks over time and space give the book a distinct niche in the national parks and tourism literature The volume is expected to contribute not only to tourism and national park studies at the upper level undergraduate and graduate levels but also to courses in international and comparative environmental history conservation studies and outdoor recreation management

Critical Issues In Ecotourism By Higham James 2007 Paperback Introduction

In the digital age, access to information has become easier than ever before. The ability to download Critical Issues In Ecotourism By Higham James 2007 Paperback has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Critical Issues In Ecotourism By Higham James 2007 Paperback has opened up a world of possibilities. Downloading Critical Issues In Ecotourism By Higham James 2007 Paperback provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Critical Issues In Ecotourism By Higham James 2007 Paperback has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Critical Issues In Ecotourism By Higham James 2007 Paperback. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Critical Issues In Ecotourism By Higham James 2007 Paperback. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Critical Issues In Ecotourism By Higham James 2007 Paperback, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Critical Issues In Ecotourism By Higham James 2007 Paperback has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Critical Issues In Ecotourism By Higham James 2007 Paperback Books

1. Where can I buy Critical Issues In Ecotourism By Higham James 2007 Paperback books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
