Critical Literacy Practice Bogum Yoon, Rukhsar Sharif, 2015-08-17 This edited book shows how critical literacy can be applied in and outside the classroom setting It shows educators how critical theory is applied in practice using studies in diverse K 16 settings kindergarten through university contexts By providing specific examples of critical literacy practice in the classroom and beyond the book aims to help teachers researchers and teacher educators make clear connections between theory and practice in critical literacy

Teaching for Equity in Complex Times Jamy Stillman, Lauren Anderson, 2017 In schools serving high concentrations of bilingual learners it can be especially challenging for teachers to maintain commitments to equity minded instruction while meeting the demands of new educational policies including national standards This book details how one school integrated equity pedagogy into a

standards based curriculum and produced exemplary levels of achievement As the authors illustrate however the school s dual commitment to bilingual education and standards based reform engendered numerous complex tensions Specifically the authors describe teachers attempts to balance demands for rigor and content coverage within their high performing school and with their diverse student population They identify specific tensions that emerged around the following issues the degree of academic struggle that is generative for student learning and the point at which such struggle becomes counterproductive the holding of high expectations for all learners and the provision of differentiated student centered learning experiences the CCSS emphasis on engaging students around more complex text and the contested determination of what constitutes complexity in text and in teaching the influence of high stakes accountability on school norms and practices including teachers interpretations and enactment of new national standards the performance pressures placed on teachers in today s educational policy context This book offers welcome guidance on dialogical teaching to socially committed teachers and teacher educators Linda Valli University of Maryland A must read for those interested in transformative teacher learning

Kris D Gutierrez Carol Liu Professor GSE University of California Berkeley **Pragmatic Aspects of L2 Communication**
Sara Gesuato, Giuliana Salvato, Erik Castello, 2022-02-08 Pragmatic aspects of communication are increasingly high on the agenda of applied linguists in parallel with the recent advancements in the broader field of pragmatics research As such this volume brings together contributions addressing pragmatic aspects of L2 communication taking into account the complementary perspectives of researchers language practitioners and language learners These studies were conducted with both qualitative and quantitative methods and were set in various linguistic cultural contexts spanning from Norway through Croatia and Italy to Canada and Colombia The volume illustrates how pragmatic awareness and proficiency are crucial to communicative interactional and more generally social competence It also sheds light on how the results of pragmatic investigations can be fruitfully applied to language teaching and assessment in primary and tertiary education Finally it maintains an expanded perspective on pragmatic knowledge as it examines both verbal and nonverbal components of communication showing how they all contribute to the formulation and interpretation of meanings in context The book will be of interest to language students language teachers and scholars in applied pragmatics *Teaching Languages and Cultures*
Nina Lazarević, Ljiljana Marković, Tatjana Paunović, 2019-01-23 This volume offers diverse perspectives on language and culture teaching explored against the background of a fast paced globalized world of increased mobility and opportunity While teachers are pressed to reinvent and adapt the existing teaching practices researchers are invited to conduct studies with a view of implementing the findings in the classroom practice This collection presents discussions of different aspects of foreign language instruction language skills and learning strategies and foreign languages in professional contexts as well as the role of intercultural competence in language teaching and teacher education Offering insights into a variety of foreign language and culture teaching contexts throughout Europe this volume will be of interest to researchers and practitioners in
