The Crucifixion Resurrection Process Jere D. Melilli, M.d.,2015-12-08 The church has been very negligent in preparing the new believer for the lifestyle required for challenging confrontations by which his faith will be tested The focus has generally been on all the blessings and positive promises that will enable the prosperity and pleasant comforts of life to be their own The church rarely teaches that Moses chose to suffer afflictions with the children of Israel than to enjoy the passing pleasures of sin esteeming the reproach of Christ greater riches than the treasures of Egypt Hebrews 11 24 26 The testimony of the apostles and the early church were one of suffering for Christ s sake Their commitment to the ministry of Jesus Christ resulted in persecution and often martyrdom Paul in his letter to the Philippian church not only challenge the believer to suffer for his sake 1 29 but to also be made conform ed unto his death 3 10 The aftermath of the crucifying of your flesh must be directed to the dictates of resurrection life If you then be risen with Christ seek these things which are above where Christ sitteth on the right hand of God Set your affection on things above not on things of the earth For ye are dead and your life is hid with Christ in God Colossians 3 1 3 It is in this crucifixion resurrection process that an intimate relationship with Jesus Christ is found It is the author s desire to challenge your comfort of faith and introduce to a challenging experience of being a witness of Jesus Christ Theories of the Resurrection of Jesus Christ Sir James
