Dating God Live And Love In The Way Of St Francis:

Dating God Daniel P. Horan, 2012 It may seem shocking to compare our relationship with God with the notion of dating But this book does With fresh insight and a deep personal spirituality Horan points out that the desire uncertainty and love we experience in relationship with God resembles our earthly relationships We set aside time for the people who are most important to us Horan reminds us that St Francis of Assisi understood and even described his relationship with God in a similar way Drawing from the Franciscan tradition *Dating God* encourages us to see St Francis's spirituality in a new light challenging us to reexamine our own spirituality prayer and relationships and inviting us into a more intimate relationship with our Creator The audio edition of this book can be downloaded via Audible *The Franciscan Saints* Robert Ellsberg, 2017-08-30 Reading Robert Ellsberg's profiles of holy men and women is like throwing open a window in a stuffy old church and taking in great gulps of fresh air Henri Nouwen has described his writing as evocative without being pious He broadens the traditional vision of sanctity and calls modern readers of all stripes to claim their potential for moral and spiritual growth courage and action By choosing relevant models and contemporary heroes he makes holiness accessible and attractive to ordinary people These 101 spiritual trailblazers span the centuries from Francis and Clare to Solanus Casey and Mychal Judge with representatives from every walk of life and corner of the world Each entry features the essential biographical facts and adds the insight and depth only Ellsberg can provide The author's sharp eye for signs and stories of holiness in the gritty messy real world informs his selections making his work unique Obscure lay peasants married activists and controversial social reformers take pride of place alongside better known theologians founders and canonized saints The audio edition of this book can be downloaded via Audible **The Way of the Franciscans** Daniel P. Horan, 2019-02-27 2020 Catholic Press Association first place award pastoral ministry catechetical Drawing on the wisdom of the Second Vatican Council's landmark teaching on the universal call to holiness Pope Francis addresses all Christian women and men in his latest apostolic exhortation *Gaudete et Exsultate* and invites them to fully embrace their baptismal call to live the Gospel Horan guides readers through Pope Francis's apostolic exhortation with helpful commentary additional context and expert insight Each chapter includes suggestions for prayer and reflection questions which makes Reading Praying Living Pope Francis's Rejoice and Be Glad an ideal resource for adults students and faith formation groups interested in learning more about this teaching and exploring their own spirituality This is the most extensive and helpful commentary on *Gaudete et Exsultate* available anywhere It does not include the full text of the apostolic exhortation *God Is Not Fair, and Other Reasons for Gratitude* Daniel P. Horan, 2020-01-08 Author Franciscan friar and popular retreat leader Dan Horan puts Christian dilemmas into a new light in this new book of thoughtful reflections As Paul made clear to the Corinthians two thousand years ago being a Christian can mean appearing out of step at times This is because a Christian's priorities aren't measured by the culture but according to the reign of God that Jesus preached and modeled In this collection of essays Horan demonstrates that the Christian life is most often focused on the counterintuitive and gratuitous foolishness of God's love revealed in the healing of the broken and brokenhearted forgiving the unforgiveable and loving the unlovable Like Jesus's early followers the ethical implications of Jesus's words and deeds for those of us who would follow him are not always what's expected of us But the risk of appearing foolish never stopped God's Fool St Francis of Assisi from embracing the Gospel as best he could protesting the injustices of certain social systems and letting nothing get in the way of his relationship with others *God Is Not Fair and Other Reasons for Gratitude* addresses what it means to follow Christ in the modern world opens up the Gospels to explore what Jesus has to say to our situations and predicaments and delves into what it means to faithfully live by vows counterculturally today **The Franciscan Heart of Thomas Merton** Daniel P. Horan, 2014-09-22 Daniel Horan popular author of *Dating God* and other books on Franciscan themes and expert on the spirituality of Thomas Merton masterfully presents the untold story of how the most popular saint in Christian history inspired the most popular spiritual writer of the twentieth century and how together they can inspire a new generation of Christians Millions of Christians and non-Christians look to Thomas Merton for spiritual wisdom and guidance but to whom did Merton look In *The Franciscan Heart of Thomas Merton* author Daniel Horan shows how both before and after he became a Trappist monk Merton's life was shaped by his love for St Francis and for the Franciscan spiritual and intellectual tradition Given recent renewed interest in St Francis this timely resource is both informative and practical revealing a previously hidden side of Merton that will inspire a new generation of Christians to live richer deeper and more justice minded lives of faith **The Art of a Virtuous Serve** Samuel Monaco Jr., 2015-12-03 It is my personal intention sole purpose and desire for this book to draw attention to many of the outstanding tennis programs and organizations which continue to inspire help and support countless others in their life

and faith journeys It is my hope that the inspiring stories of some of the tennis personalities athletes programs and charitable organizations mentioned in The Art of a Virtuous Serve may inspire your own life journey of faith while helping you to develop and execute to perfection the kind of serve that we witness to each and every day of our lives on and off the tennis court The true serve which improves lives helps those in need gives us hope and allows us to know of God s unconditional and immense love for all of us This book was written for tennis players and even non players with the desire to hit an occasional service ace whether it is on the court or not

The Last Words of Jesus Daniel P. Horan, 2020-03-05 Much has been written on the last words of Jesus the traditional phrases taken from Scripture that depict the final moments of Jesus s life as he dies on the cross In this new take on the last words author Dan Horan brings a fresh perspective to this time honored meditation as he challenges readers to look at their lives through the lens of Jesus s suffering and death Yet interlaced with suffering the focus throughout is on the immense love of God for human beings shown in the gift of Jesus God made flesh In his preface Horan writes In a world that remains irrevocably shaped by the suffering of the human condition the misunderstanding between groups and cultures symbolized by the horrific events of September 11 we need to hear Christ s words anew He gives us a different look into these words by drawing on works by other noted scholars and spiritual writers then fashioning a view of these phrases that s contemporary and thought provoking An ideal Lenten companion especially during Holy Week The Last Words of Jesus will also serve as a useful meditation throughout the year on the deep love Jesus bore for us in taking on the human condition The audio edition of this book can be downloaded via Audible
