Childhood Kristen Renwick Monroe, 2022-05-10 The Unspoken Morality of Childhood reflects the thoughts of a senior ethicist as she ponders the moral questions we all encounter in everyday life Each essay describes a commonplace event a child learning to read or asking to be quizzed on spelling first graders bonding on playground swings brothers talking on the way home from school a young girl leaving for college Monroe sensitively infuses these moments with a thoughtful tenderness that reveals the beauty in our daily routine and the wisdom all parents crave Her reflections on the ethical issues raised as part of our daily lives lend valuable insight into critical moral topics how nostalgia and love of home can be exploited by unscrupulous politicians who turn fear into political weapons that divide us but elect them How forgiveness may not always be the best way to move on after a hurt Moral imagination's unique ability to help us conceptualize our way out of seemingly intransigent problems Agency passion unconditional love and the painful growth that can accompany loss Above all Monroe highlights the tremendous power of identity and self esteem and the recognition that we must honor the humanity in others in order to fully claim it in ourselves **Fiction, Folklore, Fantasy & Poetry for Children, 1876-1985:**
