

David Cronenberg Interviews With Serge Grunberg

David L. Pike

David Cronenberg Interviews With Serge Grunberg:

David Cronenberg David Cronenberg, Serge Grünberg, 2006 This compelling collection of interviews by critic Grunberg examines the unique career of the writer-director David Cronenberg who created such commercial sci-fi horror hits as *Scanners* and *The Fly* while simultaneously stretching the envelope of popular cinema *Body Horror and Shapeshifting: A Multidisciplinary Exploration* Jessica Folio, Holly Luhnig, 2019-01-04 This volume was first published by Interdisciplinary Press in 2014 The body is unveiled not as a terra incognita but as terra to be rediscovered The authors whose diverse origins echo the multiple media used to convey their ideas establish a link between bodily metamorphosis and psychological fissures The body is a locus of paradoxes deformed infected monstrosized or negated but at the same time fascinating intimate or sensual Here readers will open the door of disruption They will explore the flesh or the inner processes of the body the idea of its degeneration even its perception as a gaping wound The authors in this volume question the very notion of identity as they embark on a journey to reflect on the self Life itself is a shapeshifting dance we unknowingly join in its myriad of colours and moves *The Philosophy of David Cronenberg* Simon Riches, 2012-05-23 Initially regarded as a cult figure with a strong following amongst sci-fi and horror film fans Canadian filmmaker David Cronenberg emerged as a major and commercially viable film director with mainstream hits such as *A History of Violence* 2005 and *Eastern Promises* 2007 With his unique ability to present imagery that is both disturbing and provocative Cronenberg creates striking films noteworthy not just for their cinematic beauty but also for the philosophical questions they raise *The Philosophy of David Cronenberg* examines Cronenberg's body of work from his breakthrough *Scanners* 1981 through his most recognizable films such as *The Fly* 1986 and more recent works Editor Simon Riches and a collaboration of scholars introduce the filmmaker's horrific storylines and psychologically salient themes that reveal his pioneering use of the concept of body horror as well as his continued aim to satirize the modern misuse of science and technology *The Philosophy of David Cronenberg* also explores the mutation of self authenticity and the human mind as well as language and worldviews While Cronenberg's films have moved from small market cult classics to mainstream successes his intriguing visions of humanity and the self endure *David Cronenberg* David Schwartz, 2021-03-01 From his early horror movies including *Scanners* *Videodrome* *Rabid* and *The Fly* with their exploding heads mutating sex organs rampaging parasites and scientists turning into insects to his inventive adaptations of books by William Burroughs *Naked Lunch* Don DeLillo *Cosmopolis* and Bruce Wagner *Maps to the Stars* Canadian director David Cronenberg b 1943 has consistently dramatized the struggle between the aspirations of the mind and the messy realities of the flesh I think of human beings as a strange mixture of the physical and the non physical and both of these things have their say at every moment we're alive says Cronenberg My films are some kind of strange metaphysical passion play Moving deftly between genre and arthouse filmmaking and between original screenplays and literary adaptations Cronenberg's work is thematically consistent and marked by a rigorous intelligence a keen sense of humor and a fearless

engagement with the nature of human existence He has been exploring the most primal themes since the beginning of his career and continues to probe them with growing maturity and depth Cronenberg's work has drawn the interest of some of the most intelligent contemporary film critics and the fifteen interviews in this volume feature remarkably in depth and insightful conversations with such acclaimed writers as Amy Taubin Gary Indiana David Breskin Dennis Lim Richard Porton Gavin Smith and more The pieces herein reveal Cronenberg to be one of the most articulate and deeply philosophical directors now working and they comprise an essential companion to an endlessly provocative and thoughtful body of work

Transcendence and Film David P. Nichols, 2019-05-23 In this edited collection of essays ten experts in film philosophy explore the importance of transcendence for understanding cinema as an art form They analyze the role of transcendence for some of the most innovative film directors David Cronenberg Karl Theodor Dreyer Federico Fellini Werner Herzog Stanley Kubrick David Lynch Terrence Malick Yasujiro Ozu and Martin Scorsese Meanwhile they apply concepts of transcendence from continental philosophers like Alain Badiou Gilles Deleuze Martin Heidegger Michel Henry Edmund Husserl Karl Jaspers Søren Kierkegaard Maurice Merleau-Ponty Friedrich Nietzsche and Jean-Paul Sartre Each of the ten chapters results in a different perspective about what transcendence means and how it is essential to film as an art medium Several common threads emerge among the chapters The contributors find that the limitations of human existence are frequently made evident in moments of transcendence so as to bring characters to the margins of their assumed world At other times transcendence goes immanent so as to emerge in experiences of the surprising nearness of being as though for a radical intensification of life Film can also exhibit ciphers of transcendence whereby symbolic events open us to greater realizations about our place in the world Lastly the contributors observe that transcendence occurs in film not simply from isolated moments forced into a storyline but in a manner rooted within an ontological rhythm peculiar to the film itself

The Politics of Insects Scott Wilson, 2011-08-18 Canadian film director David Cronenberg has long been a figure of artistic acclaim and public controversy Bursting into view with a trio of shocking horror films in the 1970s Cronenberg's work has become increasingly complex in its sensibilities and inward looking in its concerns and themes This trajectory culminates in the multiplex successes of his most recent films which appear to conclude a straightforward evolutionary arc that begins in the cold outside of shock horror and arrives in the warm embrace of commercial and critical success Scott Wilson argues persuasively that Cronenberg's career can be divided into broad thematic stages and instead offers a complex examination of the relationship between three inter-related terms the director as auteur the industry that support or denies commercial opportunity and the audience who receive interpret and support or decry the vision represented on screen *The Politics of Insects* provides an opportunity to explore Cronenberg's films in relation to each other in terms of their thematic continuity and in terms of their relationship to industrial concerns and audience responses

Canadian Cinema Since the 1980s David L. Pike, 2012-12-06 Award winning author David L. Pike offers a unique focus on the crucial quarter century in Canadian

filmmaking when the industry became a viable force on the international stage Pike provides a lively personal and accessible history of the most influential filmmakers and movements of both Anglo Canadian and Quebecois cinema from popular movies to art film and everything in between Along with in depth studies of key directors including David Cronenberg Patricia Rozema and Denys Arcand Jean Claude Lauzon Robert Lepage L a Pool Atom Egoyan and Guy Maddin Canadian Cinema since the 1980s reflects on major themes and genres and explores the regional and cultural diversity of the period Pike positions Canadian filmmaking at the frontlines of a profound cinematic transformation in the age of global media and presents fresh perspectives on both its local and international contexts Making a significant advance in the study of the film industry of the period Canadian Cinema since the 1980s is also an ideal text for students researchers and Canadian film enthusiasts

David Cronenberg's A History of Violence Bart Beaty,2008-01-01 David Cronenberg s A History of Violence the lead title in the new Canadian Cinema series presents readers with a lively study of some of the filmmaker s favourite themes violence concealment transformation sex and guilt

Shivers Luke Aspell,2019-09-10 Shivers 1975 was David Cronenberg s first commercial feature and his first horror film Luke Aspell s analysis addresses shot composition lighting cinematographic texture sound the use of stock music editing costume make up optical work the screenplay the casting and the direction of the actors

Horror after 9/11 Aviva Briefel,Sam J. Miller,2012-08-24 Horror films have exploded in popularity since the tragic events of September 11 2001 many of them breaking box office records and generating broad public discourse These films have attracted A list talent and earned award nods while at the same time becoming darker more disturbing and increasingly apocalyptic Why has horror suddenly become more popular and what does this say about us What do specific horror films and trends convey about American society in the wake of events so horrific that many pundits initially predicted the death of the genre How could American audiences after tasting real horror want to consume images of violence on screen Horror after 9 11 represents the first major exploration of the horror genre through the lens of 9 11 and the subsequent transformation of American and global society Films discussed include the Twilight saga the Saw series Hostel Cloverfield 28 Days Later remakes of The Texas Chainsaw Massacre Dawn of the Dead and The Hills Have Eyes and many more The contributors analyze recent trends in the horror genre including the rise of torture porn the big budget remakes of classic horror films the reinvention of traditional monsters such as vampires and zombies and a new awareness of visual technologies as sites of horror in themselves The essays examine the allegorical role that the horror film has held in the last ten years and the ways that it has been translating and reinterpreting the discourses and images of terror into its own cinematic language
