Devils And Angels Youth Policy And Crime

Jane Pickford, Paul Dugmore

Devils And Angels Youth Policy And Crime:

Devils and Angels Julia Fionda, 2005-12-30 The book addresses the consequences of criminalization the effectiveness of the measures used and the implications for attitudes towards the young **Youth and Crime** John Muncie, 2015-01-31 This book provides you with the most comprehensive and authoritative overview of youth crime and youth justice available Keeping you abreast of contemporary debates this fourth edition of Youth and Crime Includes updated chapters on youth crime discourse and data youth victimology youth and social policy youth justice strategies and comparative and international youth justice providing a critical analysis of issues such as institutional abuse child poverty cyberbullying child trafficking international children s rights and transnational policy transfer Covers numerous issues raised by the UK coalition government s law and order and austerity policies including ages of criminal responsibility the rehabilitation revolution troubled families abolition of antisocial behaviour orders ASBOs initiatives in gangs gun and knife crime responses to the August 2011 riots prospects for restorative justice and reductions in child imprisonment Keeps you up to date with contemporary research into explanations of youth crime youth and media youth cultures youth unemployment and training programmes and youth justice policies and takes into account recent legislative reform Features a new companion website featuring links to journal articles relevant websites blogs and government reports Complete with chapter outlines summary boxes key terms study questions further reading lists web based resources and a glossary this is the textbook to take you through your studies in youth and crime *Children's Rights and the Developing Law* Jane Fortin, 2009-08-13 This book examines how developing law and policies in England and Wales simultaneously promote and undermine children s rights

Youth Justice Roger Shipley Smith, 2007 Youth crime remains an enduring and growing problem and has been the subject of a raft of recent government policy initiatives This book provides a comprehensive up to date and critical overview of the youth justice system taking full account of the many changes that have been introduced in particular the Crime and Disorder Act 1998 and its subsequent implementation A major aim of the book will be to help youth justice practitioners and others studying youth crime and youth justice to make sense of these changes to assess their implications for practice and to understand some of the tensions and complexities that have arisen The book begins by setting the youth justice system in its broader historical and contemporary context moving on to assess the impact of political ideologies on the structures such as the Youth Justice Board and Youth Offending Teams and processes including anti social behaviour strategies restorative justice and more intensive community interventions which compromise youth justice as it is currently delivered The book goes on to argue that the failings of current policy organisational frameworks and delivery mechanisms have had a cumulative and damaging effect resulting in an over reliance on intrusive oppressive and counter productive measures of control Against this backdrop the book explores some of the underlying theoretical issues concerning young people and crime and then sets out some of the principles which should underpin positive policies and practice with young people in trouble

Finally it draws together some of the evidence from current initiatives domestically and internationally to suggest that it remains possible both to envision and to deliver a youth justice system which is liberal humane and progressive

Dictionary of Youth Justice Barry Goldson, 2013-06-17 This Dictionary explicitly addresses the historical legal theoretical organisational policy practice research and evidential contexts within which modern youth justice in the UK and beyond is located The entries cover a spectrum of theoretical orientations and conceptual perspectives and engage explicitly with the key statutory provisions and policy and practice imperatives within each of the three UK jurisdictions This book is a key resource for those teaching and studying under graduate and post graduate courses in criminology criminal justice sociology social policy law socio legal studies community justice social work youth and community work and police studies together with policy makers managers and practitioners working within the youth justice sphere including staff training officers youth justice officers social workers probation officers police officers teachers and education workers health professionals youth workers drug and alcohol workers and juvenile secure estate staff The Dictionary of Youth Justice is designed to meet the needs of researchers policy makers managers practitioners and students begins with an introductory chapter that maps the key shifts in contemporary national and international youth justice systems contains over 300 alphabetically arranged entries written by almost 100 experts in the respective fields that explicitly address the core components of youth justice in England and Wales Northern Ireland and Scotland Provides specifically tailored recommended key texts and sources in respect of each entry is closely cross referenced and contains a detailed index to assist readers to make connections between and across entries includes a detailed Directory of Agencies that relate to youth justice in each of the three UK jurisdictions is compiled and edited by one of the UK's leading authorities in youth justice

Understanding crime and social policy Emma Wincup, 2013 *Understanding crime and social policy* encourages readers to reflect upon the close connections and sometimes tensions between crime reduction and social policy agendas

Youth Justice and Social Work Jane Pickford, Paul Dugmore, 2012-01-26 It is vital for social work students and practitioners to understand the complexities of the youth justice system This fully revised second edition analyses and puts into context several pieces of new legislation such as the Criminal Justice and Immigration Act 2008 the Youth Rehabilitation Order 2009 and the new Youth Conditional Caution Carefully selected case studies and summaries of contemporary research help to underpin this accessible and essential resource Ideal for students on placement this new edition enables the reader to follow complex and often difficult legislation and law

Responsibility, Law and the Family Jo Bridgeman, Craig Lind, 2016-04-08 Focusing on moral social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility constructions of children's responsibilities shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology socio legal studies and law to discuss responsibilities prior to birth

responsibilities for children as well as responsibilities of children and of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field

A Universal Child? Roger Smith, 2009-10-23 Addressing questions about the cultural specificity of childhood the complementary value of psychological biological and social understandings of children and the impact of policy and law on how children are dealt with and perceived this will be a core text for many courses related to childhood studies

Youth Justice Jo Staines, 2015-03-26 This book provides social work practitioners and allied professionals with an applied understanding of the formal legislation policy and guidance relating to young people who are considered at risk of accused of or convicted of involvement in offending or anti social behaviour
