Fairstein, 2015 In her seventeenth Alexandra Cooper thriller New York Times bestselling author Linda Fairstein takes readers where they have never been before Inside the mind of NYPD Detective Mike Chapman The Manhattan waterfront is one of New York City's most magnificent vistas boasting both the majestic Statue of Liberty and the George Washington Bridge the world's busiest span for motor vehicles But in Devil's Bridge Detective Mike Chapman will discover the peril that lurks along this seemingly benign expanse as he takes on his most personal case yet the disappearance of Alex Cooper Coop's sudden disappearance is fraught with terrifying complications scores of enemies she has made after a decade of putting criminals behind bars a recent security breach with dangerous repercussions and a new intimacy in her relationship with Mike causing the Police Commissioner himself to be wary of the methods Mike will use to get Coop back if he can Once again Linda Fairstein proves why she is one of the best crime fiction writers in America today with her most intense Alexandra Cooper novel yet Nelson DeMille **Killer Look** Linda Fairstein, 2017-06-27 New York Times bestselling author Linda Fairstein delivers a heart pounding thriller that explores the dark secrets of Manhattan's iconic fashion scene in this Alexandra Cooper novel New York City is one of the fashion capitals of the world well known for its glamour and style Yet high fashion means high stakes as Alex Cooper quickly discovers when businessman and designer Wolf Savage is found dead in an apparent suicide mere days before the biggest show of his career When the man's daughter insists Savage's death was murder the case becomes more than a media sensation It is a race to find a killer in a world created entirely out of fantasy and illusion With her own job at the DA's office in jeopardy and the temptation to self medicate her PTSD with alcohol almost too strong to resist Alex is not anyone's first choice for help But she is determined to uncover the grime and the possible homicide beneath the glitz Along with detectives Mike Chapman and Mercer Wallace Alex must penetrate the twisted roots and mixed motives among the high profile players in the Garment District just as things are about to get deadly on the catwalk **The George Washington Bridge** Michael Aaron Rockland, 2020-01-17 Since opening in 1931 the George

Washington Bridge linking New York and New Jersey has become the busiest bridge in the world with 103 million vehicles crossing it in 2016 Many people also consider it the most beautiful bridge in the world yet remarkably little has been written about this majestic structure Intimate and engaging this revised and expanded edition of Michael Rockland s rich narrative presents perspectives on the GWB as it is often called that span history architecture engineering transportation design the arts politics and even post 9 11 mentalities This new edition brings new insight since its initial publication in 2008 including a new chapter on the infamous Bridgegate Chris Christie era scandal of 2013 when members of the governor s administration shut down access to the bridge causing a major traffic jam and scandal and subsequently helping undermine Christie s candidacy for the US presidency Stunning photos from when the bridge was built in the late 1920s through the present are a powerful complement to the bridge s history Rockland covers the competition between the GWB and the Brooklyn Bridge that parallels the rivalry between New Jersey and New York City Readers will learn about the Swiss immigrant Othmar Ammann an unsung hero who designed and built the GWB and how a lack of funding during the Depression dictated the iconic uncovered steel beams of its towers which we admire today There are chapters discussing accidents on the bridge such as an airplane crash landing in the westbound lanes and the sad story of suicides off its span the appearance of the bridge in media and the arts and Rockland s personal adventures on the bridge including scaling its massive towers on a cable Movies television shows songs novels countless images and even PlayStation 2 games have aided the GWB in becoming a part of the global popular culture This tribute will captivate residents living in the shadow of the GWB the millions who walk jog bike skate or drive across it as well as tourists and those who will visit it someday
