Devotional Treasures from the Holy Land John Delancey, 2010-11 Dig deep into these sketches of Bible lands and grow spiritually What do the key sites from the land of the Bible teach us about how to live our lives today Pastor and acclaimed tour leader Dr John DeLancey contends that one's own faith can be deepened by examining significant ancient sites of the Holy Land and deriving spiritual applications from them In his unique site to site devotional guide Dr DeLancey drawing on a year of study in Jerusalem and two decades of experience in leading tours to Israel Jordan and Egypt guides the reader through 73 ancient sites including both common and lesser known locations For each site DeLancey offers a remarkable blend of historical geographical and Scriptural information He begins by updating the reader on archaeological excavations and interpreting the authenticity of the discoveries at each spot He then follows with sound devotional thoughts that can be gleaned from each place mentioned His descriptions cause Bible stories to spring to life as he gives thoughtfully informed analyses shared based on years of careful research and of interaction with the Holy Land Devotional Treasures from the Holy Land now in its second edition contains 5 additional sites not included in the first release and provides an invaluable help to those on tour in Bible lands as well as to those who can experience them only from their armchairs at home Natural

Materials of the Holy Land and the Visual Translation of Place, 500-1500 Renana Bartal, Neta Bodner, Bianca Kuhnel, 2017-04-21 Natural Materials of the Holy Land and the Visual Translation of Place 500 1500 focuses on the unique ways that natural materials carry the spirit of place Since early Christianity wood earth water and stone were taken from *loca sancta* to signify them elsewhere Academic discourse has indiscriminately grouped material tokens from holy places and their containers with architectural and topographical emulations two dimensional images and bodily relics However unlike textual or visual representations natural materials do not describe or interpret the Holy Land they are part of it Tangible and timeless they realize the meaning of their place of origin in new locations What makes earth stones or bottled water transported from holy sites sacred How do they become *pars pro toto* signifying the whole from which they were taken This book will examine natural media used for translating *loca sancta* the processes of their sanctification and how although inherently abstract they become charged with meaning It will address their metamorphosis natural or induced how they change the environment to which they are transported their capacity to translate a static and distant site elsewhere the effect of their relocation on users viewers and how their containers and staging are used to communicate their substance
