Klaus Gottlieb, Gustavo Marino

Diagnostic Endosonography A Case Based Approach Hardcover 2013 By Klaus Gottlieb:

Diagnostic Endosonography Klaus Gottlieb, Gustavo Marino, 2013-10-12 The available textbooks on endoscopic ultrasound EUS typically focus on technique and interpretation of commonly observed images and scenarios and are aimed primarily at trainees However independent practitioners of EUS are often challenged by unusual cases which they are expected to handle competently despite the absence of authoritative guidance The Diagnostic Endosonography aims to fill this gap by presenting carefully selected cases that will expand the practitioner s knowledge base and cover important clinical challenges The case material is organized principally according to anatomic site Approximately 170 case reports are included each of which is accompanied by an average of three to five high quality EUS images in addition CT and PET scans are shown when appropriate For each case the case description is followed by helpful teaching points as well as up to date literature references and suggestions for future research

Discover tales of courage and bravery in Crafted by is empowering ebook, Unleash Courage in **Diagnostic Endosonography A Case Based Approach Hardcover 2013 By Klaus Gottlieb** .
