 Harder Than Your Students and Other Principles of Great Teaching** Robyn R. Jackson, 2018-08-29 Some great teachers
 are born but most are self made And the way to make yourself a great teacher is to learn to think and act like one In this
 updated second edition of the best selling Never Work Harder Than Your Students Robyn R Jackson reaffirms that every
 teacher can become a master teacher The secret is not a specific strategy or technique nor it is endless hours of prep time It
 s developing a master teacher mindset rigorously applying seven principles to your teaching until they become your
 automatic response Start where you students are Know where your students are going Expect to get your students there
 Support your students along the way Use feedback to help you and your students get better Focus on quality rather than
 quantity Never work harder than your students In her conversational and candid style Jackson explains the mastery
 principles and how to start using them to guide planning instruction assessment and classroom management She answers
 questions shares stories from her own practice and work with other teachers and provides all new empowering advice on
 navigating external evaluation There s even a self assessment to help you identify your current levels of mastery and take
 control of your own practice Teaching is hard work and great teaching means doing the right kind of hard work the kind that
 pays off Join tens of thousands of teachers around the world who have embarked on their journeys toward mastery Discover
 for yourself the difference that Jackson s principles will make in your classroom and for your students **GLOBE Program
