Assistant Medical Examiner Kenzie Kirsch thinks that the deaths from Champlain House are linked by more than place. If she is right in her theory the nursing homes emergency rooms and the morgue are all going to be overwhelmed. Dosed to Death Who knew Kenzie would be dealing with more deaths on vacation than if she had stayed at home. At first she and partner Zachary Goldman assume that it is just a weird coincidence but as the snow starts to pile up outside their doors so do the bodies. Gentle Angel The Assistant Medical Examiner has enough on her plate dealing with a personal crisis and doesn't need the added challenge of FBI Agent Menendez's unrealistic expectations and trying to identify the killer herself. Rushin Death The cold reception Kenzie got from the stranger when she arrived at her mother's house on Christmas day was nothing compared to what he got when he arrived at the morgue. Posed for Death Kenzie thought she had a pretty good understanding of aging and elder care. She was a medical professional after all. But when her postmortem findings cause her to look more deeply into the sometimes dark world of elder care she is forced to reconsider. Death of a Corpse The search for a missing girl comes to a tragic end when her body is found partially submerged in a body of water in the Vermont wilderness. But when Kenzie examines the remains she finds that it is not the girl they were looking for but someone who has been dead for much longer than that. Endowed with Death The death of a child is always heartbreaking but what Kenzie Kirsch assistant to the Medical Examiner finds on her slab shakes her to the core. Kenzie can't help but feel a surge of anger and sadness as she examines the evidence. Shattered to Death As Kenzie Kirsch delves into the mysterious death of a patient she stumbles upon illicit human experiments preying on the most vulnerable. The exploitation of those seeking solace and healing is a chilling reality Kenzie cannot ignore. Capture in Death Follow Kenzie the assistant medical examiner as she races against time to unravel the mystery behind photo of a dead man that has been circulating amongst the local teens. P. D. Workman never fails to deliver an intriguing mystery with plenty of thrills drama and unexpected twists that will hold your attention from start to finish.
