secrets and in an industry founded on maleness where one's job, friendships and reputation all depend on remaining on the down low in hiding. Here he writes a revealing account of coming out, full of startling anecdotes and incredible true stories. A poignant and provocative account of stardom and sexuality. **Crossing the Line** Maria Tempenis, Beth Walton, Robert Hartmann McNamara, 1999-03-30. Despite the increased number of interracial marriages in recent years, Black White couples still experience a host of problems in American society, particularly in the South. Drawing on extensive interviews with 28 Black White couples living in the South, this ethnographic study describes the issues and obstacles these couples have to face and documents their overwhelming sense of social isolation. The problems include hostility encountered while the couple is in public, ranging from stares to outright attacks, as well as a lack of support and ostracization by their families. After discussing the nature of Black White relationships and the historical implications of interracial couples, beginning with slavery, the authors adopt a life history approach which allows them to probe deeply into the meaning of the interviewees' responses. The American Heritage Dictionary of Idioms, Second Edition Christine Ammer, 2013. Fifteen years after the publication of the first edition of the American Heritage Dictionary of Idioms, author Christine Ammer has extensively updated and expanded her original text, making over 1500 revisions and adding hundreds of new entries, such as couch potato, elephant in the room, senior moment, and think outside the box, to keep up with the rapidly changing English language. *What Women Want--what Men Want* John Marshall Townsend, 1998. Drawing upon 2,000 questionnaires and 200 intimate interviews with men and women, this lucid and accessible new study reveals why the sexual psychologies of men and women are so different and so resistant to change. You Should Sit Down for This Tamera Mowry-Housley, 2022-10-04. A lighthearted and supremely entertaining memoir, *You Should Sit Down for This* is like spending the afternoon sharing tea, fresh baked cookies, and conversation with Tamera Mowry Housley, the fun-loving, wisdom-sharing girlfriend we all need in our lives, always ready to top off your wine. Most of us know Tamera Mowry Housley as a beloved TV star, one half of the memorable duo on the hit show *Sister Sister* and co-host of the FOX talk show *The Real Tamera's Spunky Sister Sister*. Character stole the hearts of millions, but the transition in the public eye from teen girl star to grown woman with a family and thriving career wasn't easy. Being raised in Hawaii as an army brat instilled in her the discipline needed to succeed and conquer her dreams, but she felt secluded and sheltered and wondered if living on her own terms would ever be her reality. Then she decided it would. Tamera stopped letting other people define her, tapped into her faith, and tossed away negativity to hone her own happiness and create a unique path forward for herself. In this pink book of quirky advice and funny stories, she encourages everyone to do the same. In a book that celebrates cookies and the juicy parts of life, Tamera will leave you feeling liberated and motivated to embrace the highs and lows of growing up. Tamera shares heartfelt stories about exiling herself from the world of beauty pageants, the pressures of being a teenage star, her struggle with rejection, the craziness of dating later in life, the challenges of balancing family and career, and why it's okay for women to hide out in their closets when they

just need a few minutes of peace Tamera doesn't shy away from the tough experiences hilarious missteps and big lessons it took to build a thriving career and the full life she's living today Our favorite girl next door offers Tameraisms bite sized pieces of wisdom to empower other women to step up to life's unexpected turns and surprises and make it all work You Should Sit Down for This is a much needed reminder of the magic that can happen when we open our minds and hearts to become the very best versions of ourselves
