Datsun/Nissan 280X & 300ZX Brian Long,1999 The 240Z was a landmark in automotive history By the time the first generation Z cars came to an end in 1978 everyone around the world knew the name Datsun Here is the full story of the ZX series from the 280ZX introduced as the second generation Z car in 1978 through to the 300ZX of 1999 The 240Z and 260Z were pure sports cars but the 280ZX represented the evolution of the Z car into a Grand Tourer This evolution continued through two generations of 300ZX and the Z became a true supercar with state of the art engineering features This book contains a great deal of new information for enthusiasts in the West as Japanese models have been covered in detail for the first time Photographs and other illustrations have been sourced almost exclusively from the factory and therefore illustrate the cars in original detail Datsun Z also by Brian Long and Veloce is a complementary book **The Far Side of a Dead Beat Dad** David Bryson,2017-01-11 As a former member of the United States Army Special Forces David Bryson lived by the motto De oppresso liber a Latin phrase that means to free from oppression or to liberate the oppressed Little did he realize that years later he would be fighting to liberate not others but himself from an unjust governmental system Slapped with a bill for over 23 000 in allegedly unpaid child support a charge based solely on his ex wife s testimony Bryson refused to pay As a result his passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife s charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal

documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence
