Daughter of the Burning Brooke Axtell, **Sexual Hospitality in the Hebrew Bible** Thalia Gur-Klein, 2014-10-20 A woman s life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves *Sexual Hospitality in the Hebrew Bible* examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife s sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance

The Signs of Sin Jonathan P. Burnside, 2003-05-01 What makes one crime more serious than another and why This book investigates the problem of seriousness of offence in English law from the comparative perspective of biblical law Burnside takes a semiotic approach to show how biblical conceptions of seriousness are synthesised and communicated through various descriptive and performative registers Seven case studies show that biblical law discriminates between the seriousness of different offences and between the relative seriousness of the same offence when committed by different people or when performed in different ways Recurring elements include location and the offender s social status The closing chapter considers some of the implications for the current debate about crime and punishment
