Trolls Alicia Z. Klepeis, 2016-07-15 For centuries the myths of trolls have fascinated and frightened people young and old Originating in the time of the Vikings trolls have been constant figures of mythology since the very first troll story Their lore has evolved and developed over time but their representations especially across Scandinavian culture have lasted to the present day This book explains the history of troll lore throughout the ages examines other troll folktales from around the world and even explores how the troll persists in today's society

The Unspoken Morality of Childhood Kristen Renwick Monroe, 2022-05-10 The Unspoken Morality of Childhood reflects the thoughts of a senior ethicist as she ponders the moral questions we all encounter in everyday life Each essay describes a commonplace event a child learning to read or asking to be quizzed on spelling first graders bonding on playground swings brothers talking on the way home from school a young girl leaving for college Monroe sensitively infuses these moments with a thoughtful tenderness that reveals the beauty in our daily routine and the wisdom all parents crave Her reflections on the ethical issues raised as part of our daily lives lend valuable insight into critical moral topics how nostalgia and love of home can be exploited by unscrupulous politicians who turn fear into political weapons that divide us but elect them How forgiveness may not always be the best way to move

on after a hurt Moral imagination s unique ability to help us conceptualize our way out of seemingly intransigent problems Agency passion unconditional love and the painful growth that can accompany loss Above all Monroe highlights the tremendous power of identity and self esteem and the recognition that we must honor the humanity in others in order to fully claim it in ourselves The Fire Horse: Children's Poems by Vladimir Mayakovsky, Osip Mandelstam and Daniil Kharms Eugene Ostashevsky,2017-03-14 Whimsical and revolutionary poems and art by some of Russia s foremost avant garde writers and illustrators A boy wants a toy horse big enough to ride but where can his father find it Not in the stores which means it s got to be built from scratch How With the help of expert workers from the carpenter to the painter working together as one And now the bold boy is ready to ride off in defense of the future Two trams Click and Zam are cousins Click goes out for a day on the tracks and before long he s so tired he doesn t know where he is or how to get back All he knows is he s got to find Zam Click is looking for Zam and Zam is looking for Click and though for a while it seems like nobody knows where to find Click good and faithful Zam is not to be deterred Peter s a car Vasco s a steamboat and Mikey s a plane They re all running like mad and going great guns until whoops there s a big old cow just a plain old cow standing in the road What then The early years of the Soviet Union were a golden age for children s literature The Fire Horse brings together three classics from the era in which some of Russia s most celebrated poets Vladimir Mayakovsky Osip Mandelstam and Daniil Kharms teamed up with some of its finest artists Lidia Popova Boris Ender and Vladimir Konashevich Brilliantly translated by the poet Eugene Ostashevsky this is poetry that is as whimsical and wonderful as it is revolutionary **The Box of Delights** John Masefield,2013-11-13 A children s time travel adventure of a boy a wizard a witch and a magic box a beloved Christmas novel in England for generations and adapted into a classic BBC holiday series A plum pudding of strange adventures English legend and spiritual feeling The Washington Post A wintry fantasy classic Michael Dirda List of 66 Favorite Books The English countryside 1930s Strange things begin to happen the minute young Kay Harker boards the train to go home for Christmas and finds himself under observation by 2 very shifty looking characters Arriving at his destination the boy is immediately accosted by a bright eyed old man with a mysterious message The wolves are running Soon danger is everywhere as a gang of criminals headed by the notorious wizard Abner Brown and his witch wife Sylvia Daisy Pouncer pursue Kay What does Abner Brown want The magic box that the old man has entrusted to Kay which allows him to shrink in size to shapeshift and to travel in time The gang will stop at nothing to carry out their plan even kidnapping Kay s friend the tough little Maria Jones and threatening to cancel Christmas celebrations altogether But with the help of his allies including an intrepid mouse a squadron of Roman soldiers the legendary Herne the Hunter and the inventor of the Box of Delights himself Kay just may be able rescue his friend foil Abner Brown s plot and save Christmas too At once a thriller a romp and a spellbinding fantasy The Box of Delights is a great English children s book and a perfect Christmas treat *The Backward Day* Ruth Krauss,2007-08-07 Imagine your whole day lived backward from beginning to end When you got up you d put on

your jacket then your shirt and pants and over those your underwear because after all backward is backward and on a backward day backward is the way everything has to be You d walk downstairs backward and sit on your chair backward with your back to the table and when your parents greeted you in the morning you d say of course Good night But how long can a backward day go on Just long enough for a smart kid to reverse the spell he s cast on the whole household and return everything to normal The Backward Day a delightfully stylish picture book by the Caldecott Prize winning team of Marc Simont and Ruth Krauss brings to life a humorous and engaging reversal of ordinary reality that will enchant young children as well parents
