David Bailey David Bailey, 2015 Determining the perfect exposure time for a photographic print in a traditional darkroom can be a time consuming and tedious process and the irreverent David Bailey has never had much patience for it Normally a photographer makes a number of test strips each showing different exposure times but Bailey has always just intuitively torn off strips of the unexposed paper to find the desired result Over the decades Bailey has kept his test tears re fixing and washing them to preserve the unpredictable and unique qualities of these accidents This book contains a selection of Baileys tears which transform some of his most famous motifs into fascinating abstract pictures through their torn edges and myriad tones **Vanity Fair** ,2016 *The Fundamentals of Fashion Filmmaking* Nilgin Yusuf, 2023-07-13 Over the last decade fashion film s presence has become ubiquitous From the retail environments where fashion film is projected onto windows and buildings to the online arenas of fashion brands and labels through to art gallery installations fashion communication is on the move With examples from dozens of groundbreaking international films including QR codes linking to the films online *The Fundamentals of Fashion Filmmaking* places fashion film in its broader industry cultural and historical context You ll also learn about the process of making fashion film exploring how it works across multiple technologies platforms and audiences Interviews with filmmakers bring together a wealth of industry expertise on everything from storyboarding to finding an audience **The Point of Fracture** Frank Turner Hollon, 2010-08-27 A troubled woman bent on revenge implicates her husband his family and a Southern community in an unsolvable murder After nearly fifteen years in a childless marriage Michael Brace and his beautiful wife Suzanne live separate lives under the same roof Suzanne suffers crippling headaches and is haunted by childhood memories of her father visions of violence and the bloodlines of mental illness Michael meanwhile sleeps on the couch hiding in the shadows of his wealthy family and thinking about the novel he s always wanted to write In a tangled desire for revenge against her father her husband his family and everything she cannot reconcile Suzanne Brace sets in motion a patient complicated plan of deception sacrifice and death But as with all plans even those executed to perfection there are waves of fatal consequence With spare prose and shrewd insight Hollon explores the intertwined relationships of family and community in the face of an unthinkable crime and illuminates the fine line between destruction and salvation *Aesthetics and the Revolutionary City* James Clifford Kent, 2018-09-22 *Aesthetics and the Revolutionary City* engages in alternative ways of reading foreign visual representations of Havana through analysis of advertising images documentary films and photographic texts It explores key narratives relating to the projection of different Havana imaginaries and focuses on a range of themes including pre revolutionary Cuba the dream of revolution and the metaphor of the city frozen in time The book also synthesizes contemporary debates regarding the notion of Havana as a real and imagined city space and fleshes out its theoretical insights with a series of stand alone important case studies linked to the representation of the Cuban capital in the Western imaginary The interpretations in the book bring into focus a range of

critical historical moments in Cuban history including the Cuban Revolution and the Special Period and consider the ways in which they have been projected in advertising documentary film and photography outside the island **The Mystery of David's Bridge** Pamela Kimmell,2013-06-05 Small town life should be quiet so they say but David s Bridge has plenty of excitement for its one and only private investigator Bailey Ferrol to handle She dabbles in a variety of cases including a murder investigation Even her routine cases like a background check on candidates for a job lead her down roads she d never expected to go Her job keeps her busy but not too busy to find possible romance in unlikely places As long as Bailey s cat and sidekick Eddy approves of him Bailey knows he s one of the good guys This fast reading and clever book by author Pamela June Kimmell is chock full of fun characters and one can tell that the town of David s Bridge would truly be a most interesting place to call home Vidal
