an authentic leader who truly believes that her first role is to serve others She is absolutely committed to delivering results but always the right results delivered in the right way She cares about people and her decision making is strongly rooted in her values and beliefs There are Marys and those who aspire to be Mary at all levels in organisations part of an evolution to a more principled and effective way of leading In this book we explore the ten traits that define Mary and challenge you to become part of this evolution to Lead Like Mary **Developing Leadership Styles** ,1997 The Courage of a Leader® Amy L. informally It is the quality of moral force or character Every human being is a leader over some domain as he or she exercises gifts and influence That domain might be the halls of government the boardroom the classroom the community or the home In The Power of Character in Leadership How Values Morals Ethics and Principles Affect Leaders you will discover what character is what it means to develop moral force and how to preserve your leadership influence so that it is both effective and enduring *Leading with Character* Barbara W.
