Tentmaking Kurt T. Kruger, 2020-09-29 Would it surprise you to know that New Testament scholars missiologists and church planting authorities cannot agree on how to define tentmaking whether or not the church should be practicing it today or even why Paul did it in the first place It's true In Tentmaking the widespread confusion and overall disagreement within the church regarding Paul's self support are exposed Commonly held assumptions are removed from their entrenched positions and myths are debunked In their place Tentmaking offers an unadorned yet powerfully convincing presentation of Paul's own self disclosed reasons for intentionally selecting to support himself in some ministry contexts but not others This well researched book provides answers to crucial questions that currently surround tentmaking as well as a practical guide intended to lead to the recovery of biblical tentmaking within the church Readers who pick up this book should be prepared to embark on an engrossing journey that will reward them with clarity on the often misunderstood topic of Paul's tentmaking

Touching the Footprints of Jesus Dr. Terry W. Dorsett, 2012-04-05 Devotional guide based on a trip my wife and I went on to the Holy Land with a group of pastors from New England It was an amazing week as we visited the places we had learned about in seminary and preached to others about for years Walking where Jesus walked was intensely spiritual and humbling Throughout the trip I made notes of what the Spirit was speaking to me Though my notes were originally only for my own spiritual edification a few months after the trip I realized that others might be as blessed by the experience as I was This devotional guide grew out of those notes and is a picture into my soul of what the Lord taught me as a result of the trip It is my prayer that through taking this spiritual journey with me we will all touch the footprints of Jesus and in so doing be spiritually refreshed and renewed

Tentmakers James W. Watson, Narry F. Santos, 2022-09-27 Tentmaking is a growing reality in Western society that necessitates more reflection and relevant response from pastoral and mission leaders The need to consider bivocational or multivocational ministries is catalyzed by established congregations wrestling with decline in attendance by new immigrant communities looking for sustainable ways to minister and by misunderstanding or lack of information on the nature of this ministry approach This need is also triggered by the urgency to address biblical theological and pragmatic issues of tentmaking that can forge a way forward for the Canadian church in the midst of an uncertain future This volume seeks to forge a way forward as a result of the Canadian Multivocational Ministry Project CMMP a qualitative and community based research project among tentmaking pastoral leaders across Canada This research partnered with the Wellness Project Wycliffe which uses online questionnaires to assess wellness in congregational ministry The CMMP research

report and the wellness findings form the basis of the multifaceted reflections in the book by Canadian scholars researchers and multivocational practitioners This book offers an accurate pulse of the challenges opportunities and future of tentmaking in relation to Christianity and the church in these uncertain times **Ministry Makeover** Rosario Picardo, 2015-02-16

Ministry Makeover examines the decline within the church especially the United Methodist Church UMC and some causes for this decline It calls for a reforming of United Methodist structure and polity by drawing more attention to the value of the bi vocational model of ministry and a re visitation of the Wesleyan United Brethren view and historical perspective This book establishes a solid theological foundation upon which to build this shift and it goes a step beyond typical ecclesiology the study of the church to identify Trinitarian theology as the basis for the practice of the church In turn this text reveals bi vocational ministry and support of new congregations as not only a viable option but also arguably the model towards which the church is heading These insights will transform the church and lead to more effective church ministry with respect to resources structure and reach in a post Christendom world context Picardo uses Embrace Church Lexington KY as a case study and incorporates his experiences into this text in order to show how these implications have played out in a true bi vocational church plant context
