Devil In The Dust Bowl:

Dust Devil's Requiem Juan J. Sabo, 2025-01-10 One sheriff A century old cold case A town haunted by its past Sheriff Caleb Hatcher carries the weight of Dustbowl on his shoulders The relentless drought of 1934 has brought hardship and desperation to the small Oklahoma town but Hatcher is burdened by more than just the dust He is haunted by a past failure an unsolved disappearance that has lingered in his mind for decades the vanishing of Moreau's Marvels a troupe of traveling performers who disappeared without a trace a century ago When a series of unsettling discoveries surfaces during the drought Hatcher is forced to confront the ghosts of Dustbowl's past A coded journal left behind by the troupe's enigmatic leader Esmeralda Moreau hints at a dark secret a hidden current beneath the surface of their dazzling performances As Hatcher delves into the journal's cryptic entries he uncovers a web of betrayal blackmail and long buried resentments that implicate one of Dustbowl's most prominent families The discovery of a carved message on a rock near the dried up lakebed a chilling confession etched in stone solidifies Hatcher's growing suspicion the Caldwell family pillars of the community are somehow connected to the performers disappearance But bringing the truth to light means facing powerful opposition from those who would rather keep the past buried even if it means protecting a murderer's legacy Hatcher must navigate the treacherous waters of small town politics and confront the prejudices and fears of a community divided Some cling to the idealized image of the Caldwells while others demand justice for the forgotten performers The weight of the past bears down on Hatcher threatening to consume him as he races to uncover the full story before it's lost to the dust forever **The**

Devil's Harvest Jessica Garrison, 2020-08-04 This suspenseful true story of a drug cartel hitman who got away with murder after murder in California's Central Valley over three decades reveals how the criminal justice system fails our most vulnerable immigrant communities On the surface fifty eight year old Jose Martinez didn't seem evil or even that remarkable just a regular neighbor good with cars and devoted to his family But in between taking his children to Disneyland and visiting his mom Martinez was also one of the most skilled professional killers police had ever seen He tracked one victim to one of the wealthiest corners of America a horse ranch in Santa Barbara and shot him dead in the morning sunlight setting off a decades long manhunt He shot another man a farmworker right in front of his young wife as they drove to work in the fields The widow would wait decades for justice Those were murders for hire Others he killed for vengeance How did Martinez manage to evade law enforcement for so long with little more than a slap on the wrist Because he understood a dark truth about the criminal justice system if you kill the right people people who are poor who aren't white and who don't have anyone to speak up for them you can get away with it Melding the pacing and suspense of a true crime thriller with the rigor of top notch investigative journalism *The Devil's Harvest* follows award winning reporter Jessica Garrison's relentless search for the truth as she traces the life of this assassin the cops who were always a few steps behind him and the families of his many victims Drawing upon decades of case files interrogation transcripts on the ground reporting and Martinez's chilling
