Develop Your Pr Skills Sunday Times Creating Success:

Develop Your Leadership Skills John Eric Adair, 2007 Develop your Leadership Skills is John Adair's most accessible title on leadership. Full of exercises and checklists, it can help to boost confidence levels and guide and inspire anyone on their journey to becoming a leader of excellence. Acknowledged as a world expert, John Adair offers stimulating insights into recognizing and developing individual leadership qualities, acquiring personal authority and most importantly, mastering core leadership functions such as planning, communicating and motivating. Suitable for anyone who wishes to improve or develop their leadership skills, this guide distils the essence of John Adair's teaching and provides a framework for becoming an effective leader.

Develop Your NLP Skills Andrew Bradbury, 2006 Neuro Linguistic Programming (NLP) is one of the powerful communication tools. This third edition provides practical guidance on using NLP techniques to achieve business excellence. It is useful to those interested in improving their powers of communication.

Improve Your Coaching and Training Skills Patrick Forsyth, 2008-03-03 Staff development is a key management responsibility. Good people and good performance and hence good development are vital to success in a fast-changing and competitive world. Improve Your Coaching and Training Skills contains practical guidelines to help you develop your staff. Ideal for busy managers who don't have human resources support, it will help you to boost staff effectiveness through coaching and training. Key content includes why development matters on the job, coaching, mentoring, developing a formal training method, conducting a training session and assessing on-going effectiveness. With tips on using exercises and role plays in training, Improve Your Coaching and Training Skills is useful to those new to HR as well as hard-pressed managers. The commonsense advice it contains will help you to motivate your staff and maximize their effectiveness.

Improve Your Communication Skills Alan Barker, 2006 The ability to communicate is one of the most important attributes needed to conduct business. Alan Barker's jargon-free guide shows how to get the message across every time verbally and visually.

Successful Presentation Skills Andrew Bradbury, 2006 A good presentation involves effective communication and is essential for business success. This guide addresses the common problems people face: overcoming nerves, handling visual aids and shaping the presentation itself.

Successful Project Management Trevor Leonard Young, 2006 Project management has become an area of interest in all types of organization and the skills required are recognized as highly desirable at all levels. The role of project manager requires maintaining a balance between the demands of the customer, project team and the organization. This provides a real challenge in the fields of time management and prioritization. Successful Project Management will enable any manager to significantly raise the probability of success with their projects and contains practical and well-tested techniques. This step-by-step guide will help you with project conception and start-up, managing project stakeholders, managing risks, project planning, project launch and execution, closure and evaluation. Complete with checklists and specific guidance notes, this essential book covers the entire project management process and will improve your chances of success.
