Nine Pillars of Success George Mfula ,2022-03-14 Nine Pillars of Success is a worthy read I believe everyone has a destiny but not every destiny will be successful Even at the coming of our Lord Jesus Christ there will be people who will have unfulfilled destinies Hence this book is written to hand over to you the keys you need to fulfill your destiny in a grand style with unparalleled results What is destiny Destiny is your fate fortune or future as designed by God in His wisdom before you were even born You are a destiny carrier by virtue of your existence in God You existed in the mind of God even before you were born physically I believe that God has deposited in you an incomparable future which is locked up within you What you have to understand is that destiny does not start here on earth It started before you were even born into this world You are not an accident by birth Your destiny and life are a well pre arranged agenda of God That is why you don t have to create your own destiny but all you have to do is to discover or locate the details of your destiny in Christ Jesus Thus this book is written to rewrite re define and unlock your destiny Hence you can t afford but to fulfill your God ordained assignment on earth in Christ Jesus

Become the Solution You Are Created to Be Obembe Olutola Michael, 2012-01-04 This book is going to push out the world changer in you It has been written to bring out in you that which is to be but have not yet been that which you need to be that you have not become and to draw out to you what you can be in this life and to your generation Men are said to be born equal but we all know men are not equal In the calendar of God things happen for a reason so you are born into this world for a reason not just a mere reason but for a unique reason because you are not a coincidence Get to understand who you are because you are the best option the world has to solve the reason why you are here Its just you that is needed to make things right do not fall off your destiny by loosing out on purpose for the purpose of a thing is best known to the manufacturer so find out from God today and live your life by his design and not by default A little baby is like a blank disk drive when born it knows and contains nothing until things are said to him her and events happen around him her i e basically until the five senses start catching things around Be like that young child and start catching stuffs that will enhance your destiny ride The death of Jesus was to bring mankind back to the former glory of leadership dominion solution and divine relationship If you are born again you are a solution either in the making or one already on duty because your world needs you Wake Up Your destiny assignments are too many for you to live a life of jeopardy a life of ignorance or a life of self non discovery Wake Up The light of God in you is meant for a purpose His decision to push you forth is not 12 Michael Obembe without a reason the blessings gifts talents and stuffs of God in you are not for personal enrichments they are for specific areas of the world so find those areas and fulfill destiny Myles Munroe once said that your existence is a proof that something is finished that you are born to express or implement In other words God has finished an invention and you are the project manager here on earth Nobody is born without a mission neither is anyone born a mistake nor an experiment but its your destiny from heaven that brought you here that destiny of being a solution to your world You are born with a solution destiny It is in you The destiny of a thing is in the thing so the solution ability you possess is right inside you all you need to do is to push it out Do not live life as a spectator stand and be that centre stage actor you are meant to be Do not live life as a photocopy live the life as the original God created you to be There is something unique about you its the mission and vision set ahead of you and it is your being different that makes you a world reference Remember only you are with a unique vision mission talent and gift that the world does not have Do not run away from your destiny choose to achieve it and build your purpose for a mission There are things you need to know things you need to remember and things you need to start doing to be that solution you are born to be That is what this book teaches it teaches a life to be lived left unlived by many Choose to be what God created you to be *Catching His Attention* Francis Emeka UZONWANNE, 2008-10-27 **Performance**

Hunt,2019-11-26 The

megachurch is an exceptional recent religious trend certainly within Christian spheres Spreading from the USA megachurches now reached reach different global contexts The edited volume Handbook of Megachurches offers a comprehensive account of the subject from various academic perspectives **The Palgrave Handbook of Christianity in Africa from Apostolic Times to the Present** Andrew Eugene Barnes,Toyin Falola,2024-03-07 This comprehensive Handbook provides chapter length surveys of the history of Christian missions and Christian churches on the African continent since the time of Christ Africa is rapidly becoming the most Christianized region of the world While common narratives about Christianity tend to present Christianity as a set of ideas and beliefs imposed on Africa from the outside such narratives hold little meaning for African Christians or for those seeking to understand Christianity in Africa as an

indigenous faith The aim of the Handbook is to propose a set of scholarly starting points for a new set of narratives The chapters collected here communicate an idea of Christianity as it has been embraced among African peoples at particular historical moments It therefore grants voice to the various strands of African Christianity on their own terms and offers scholarly study of what these voices teach us about how the world's most adhered to religion is practiced and understood on the continent of Africa
