Developmental Disability And Ageing:

Aging and Developmental Disability Joy Hammel, Susan M. Nochajski, 2000 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *Aging with a Disability* Bryan J. Kemp, Laura Mosqueda, 2004-06-15 With advances in medical care technology and rehabilitation people with disabilities are now living longer Many in fact have near average life expectancies Research has shown however that the changes and problems associated with aging often occur 10 20 years earlier in the lives of people with disabilities than in the lives of people without disabilities These changes pose significant challenges for health care professionals Because research in this field is relatively recent few practitioners and students are aware of these findings *Aging with a Disability* provides clinicians with a complete guide to the care and treatment of persons aging with a disability Divided into five parts this book first addresses the perspective of the person with a disability and his or her family Chapters in the second section address the physiological and functional changes people will face as they grow older and how these changes may affect quality of life and caregiver requirements In the third part contributors discuss treatment considerations such as maintaining employment and managing pain and fatigue The book's fourth section focuses on specific conditions spinal cord injury polio cerebral palsy and developmental disabilities such as mental retardation In the concluding section the authors present research needs and discuss policy issues for future consideration Paying special attention to the feelings attitudes and needs of people with disabilities three chapters are written by authors who have a disability *Aging with a Disability* gives students and clinicians a reliable and compassionate handbook for the treatment of this growing population

Aging and Developmental Disability Joy Hammel, Susan Nochajski, 2020-03-23 *Aging and Developmental Disability Current Research Programming and Practice Implications* explores research findings and their implications for practice in relation to normative and disability related aging experiences and issues This valuable book discusses the effectiveness of specific interventions targeted toward aging adults with developmental disabilities such as Down's Syndrome cerebral palsy autism and epilepsy and offers suggestions for practice and future research in this area

Mental Health, Intellectual and Developmental Disabilities and the Ageing Process Vee P. Prasher, Philip W. Davidson, Flavia H. Santos, 2020-12-22 This book brings together findings from research and clinical practice with comprehensive coverage of the important aspects of mental health in ageing persons with intellectual and developmental disabilities It is crucial for professionals involved in the care of persons with all intellectual and developmental disabilities to have a broad understanding of the essential range of issues and therefore this book provides a truly multi disciplinary perspective complete with many figures and illustrations to underline the key points Undoubtedly research and clinical practice are much more advanced in the general ageing population than in persons with intellectual and developmental disabilities and so professionals and academics must be made fully aware of commonalities and idiosyncrasies of older people with intellectual and developmental disabilities This book presents the ongoing

developments concerning mental health and aging which will become relevant to the intellectually disabled population Through experience this book also acknowledges that the impact on the persons themselves and on their carers always needs to be taken into account with treatment programs established with a multi faceted team approach in mind Avoiding the jargon of many titles in this area while maintaining the hands on approach of clinical practice this book meshes the practical and scientific worlds with all chapters written by leading experts in the field Beyond the US the IASSIDD support expands the book message worldwide *Activities with Developmentally Disabled Elderly and Older Adults* M. Jean Keller,1991

Learn how to effectively plan and deliver activities for the growing number of older people with developmental disabilities *Activities With Developmentally Disabled Elderly and Older Adults* is an innovative new book that aims to stimulate interest and continued support for recreation program development and implementation among developmental disability and aging service systems Particularly useful for human service professionals working in the areas of developmental disabilities and aging this practical volume will also be of interest to researchers educators and students interested in recreation services with older adults who are developmentally disabled The older adult population with developmental disabilities DD continues to grow rapidly yet little is known about their needs and interests In this book a wide variety of authors share innovative and creative strategies for programming activities with older adults with DD They focus on diverse issues services and programs from researchers educators and practitioners represented varied disciplines Each chapter demonstrates the diversity that makes serving a growing number of older individuals with DD both challenging and rewarding Among the wealth of information you will find in *Activities With Developmentally Disabled Elderly and Older Adults* are discussions on the characteristics of this population and challenge activity professionals to seek innovative program strategies to appropriately serve individuals with DD companionship friendship physical functioning and retirement adjustment issues that confront older adults who have lived with lifelong disabling conditions how a continuum of recreational activities is needed to provide meaningful experiences to elders with developmental disabilities how to design therapeutic recreation programs survey instruments that can be used to gain information about the needs of elderly persons with DD how to find specific programs and services that are age appropriate and foster creative expression and positive self esteem a rationale for the development of integrated recreation programs **Older Adults with Developmental Disabilities** Claire Lavin,Kenneth J.

Doka,2020-11-25 Assesses the needs and lives of the first generation of people with developmental disabilities who have survived into later life Describes the challenges facing practitioners in gerontology and developmental disabilities to modify programs designed for mid life adults and notes that senior services will need to incorporate the needs of the new po

Ageing with a Lifelong Disability Christine Bigby,2004 This guide provides specialist knowledge about ageing with a disability in the context of the more mainstream knowledge about ageing processes Dr Bigby uses the concept of successful ageing as a framework in which to consider the issues and practicalities for older people with a pre existing disability

Developmental Disability and Ageing Gregory O'Brien, Lewis Rosenbloom, 2009-03-09 This handbook is aimed at clinicians and others who are engaged in caring for ageing adults with developmental disabilities It is intended to inform understanding promote assessment assist in care planning and especially to improve everyday living for this needy but sadly often neglected group of vulnerable individuals The authors base their guidance on evidence focusing on important insights that are likely to be valuable to the clinician interested in the care of the individuals on whose behalf the book has been prepared A brief general overview of the area is followed by a detailed consideration of dementia in the context of developmental disability including cause diagnosis assessment and natural history with case examples The next chapters concentrate on two of the most high profile of all the major groups of developmental disabilities with their own unique patterns of ageing Down syndrome and cerebral palsy Other less common causal syndromes and their characteristics with ageing are then reviewed This is followed by a detailed guide to drug treatment issues in this group The final chapter considers wider issues of psychosocial intervention and life planning for the ageing individual with developmental disability

Health Promotion for Older Persons with Developmental Disabilities Susan Guralnick, 1997 **Older Adults With Developmental Disabilities and Leisure** Ted Tedrick, 2012-11-12 If you work with older adults who are developmentally disabled and are seeking ways to incorporate exercise arts activities and other activities into your program this is the book for you Older Adults With Developmental Disabilities and Leisure will help you improve your ability to instruct exercise and other fitness activities and at the same time increase your knowledge about aging and mental retardation and developmental disabilities This combination of skills and knowledge is important to your understanding of your clients and their needs You will assist them in leading a more active structured life that will result in a higher sense of satisfaction in their daily living and health benefits that will speak for themselves Older Adults With Developmental Disabilities and Leisure gives you specific guidelines for establishing fitness programs as well as ideas for offering clients goals and incentives that will evoke and maintain their enthusiasm to participate Using a proven model the Arts Fitness Quality of Life Activities Program the authors show how careful planning and sequencing can produce successful results such as peer interaction flexible thinking self expression and improved mental health As you learn about the key factors for programming for this group of clients you will also learn about the demographics of this population leisure education training and cross training with aging specialists and mental retardation staff community integration and for whom it is appropriate inactivity in later life and the complications it causes life satisfaction and leisure participation differences in physical and cognitive functioning among this population consumer satisfaction among older adults with developmental disabilities It is never too late to introduce leisure activities into the lives of those with developmental disabilities With encouragement and careful guidance you can lead your elders clients into a more active and healthy life Use Older Adults With Developmental Disabilities and Leisure as a guide to find activities and exercise programs that are appropriate fun and worthwhile
