The Light of Navigation Marguerite Lever-Woodall,2022-04-27 In the middle of tremendous darkness occurring worldwide and on a personal level for many we must know that Christ is our best light of navigation through it all There are many false lights vying for our attention which in the end can bring shipwreck to people s lives Being focused intently on God s pathways and His light His truth will carry us through to safe harbor This book shares the God stories occurring in one woman s pursuit of God s presence and personal relationship with Him It is the story of a thread of love woven in a life journey where His movement occurs in subtle yet unexpected ways There are also moments of dramatic interventions on God s part that astound as well Many call this weaving of God s movement and presence in our lives the dance and it is a dance of the best kind The events recorded here speak of trusting God in the midst of suffering and sorrow which touch so many lives daily however it will also lift and encourage you as God s engaging actions surprise as well A greater recognition of how God moves and presents Himself in our moments will be eye opening We all have those hard questions we ve asked God and not believed we would ever hear an answer to Unfortunately church culture teaches that He moves so mysteriously that we will not have the answers we desperately need when life s tragedies hurt us deeply This book dispels that misunderstanding and shows a God who loves us deeply and wants to answer our seemingly impossible questions gladly
