Cold-Case Christianity (Updated & Expanded Edition) J. Warner Wallace, 2013-09-05 Homicide detective J Warner Wallace applies ten common rules of evidence to make the case for Christianity in this completely updated and expanded edition of the apologetic classic that has changed lives around the world. A proven bestseller, Cold Case Christianity shows how detective skills help us determine the historical reliability of the Bible. The role that evidence plays in the Christian definition of faith. Why the gospel eyewitness accounts demonstrate the historicity of Jesus. How rules of evidence help make the case for the proof of Christianity. An updated introduction including the author's testimony of moving from atheism to faith. Completely updated content and page design. A new afterword responding to commonly asked questions about the reliability of the New Testament.
