Courageous Training Courageous Training:

Courageous Training Tim Mooney, Robert Brinkerhoff, 2008-06-16 Featuring numerous real life stories and case studies *Courageous Training* shows corporate trainers how they can adopt a courageous mindset and achieve more powerful and effective performance results

Courageous Training Tim Mooney, 2009-03-19 If you were a brand new baby sea turtle your odds for survival would be grim of thousands hatched only a dozen or so make it to adulthood From jellyfish to dandelions this is the way nature works Thousands of seeds are dispersed in the seas or winds but only a few are viable survivors What seems to work OK in the world of nature is not effective in the world of business Investments in workplace learning are meant to give birth to new capabilities that employees can use to improve job performance Odds are better here than for sea turtles but not by a huge amount If you wanted a sure bet your best guess would be 15% to 20% of trainees who participate in the typical workplace learning event ever employ their new capabilities in a way that leads to worthwhile results for the organization This book is about how people who beat those odds do so and it is for people who want to do the same

Courageous Training (Volume 2 of 2) (EasyRead Super Large 24pt Edition) , *Courageous Training (EasyRead Large Bold Edition)* Tim Mooney, 2008 All too often maybe even most of the time training doesn't stick But Tim Mooney and Robert Brinkerhoff have discovered that some iconoclastic trainers achieve breakthrough results by having the courage to break away from the usual approaches and identify what really works In simple and engaging language they lay out the Four Pillars of Courageous Training illustrating each with real life examples that highlight specific concepts methods and tools and include four case studies that demonstrate the mind set needed to truly transform training and produce dramatic and measurable business results

Courageous Training (EasyRead Super Large 18pt Edition) , Courageous Training (Volume 1 of 2) (EasyRead Super Large 24pt Edition) , **Courageous Training** Tim Mooney, Robert O. Courageous Learning John Ebersole, William B. Patrick, 2011 The true majority of American students are working age adults Approximately 80% of those who need to start or finish a degree are over 25 years old yet most institutions of higher education treat them as an afterthought *Courageous Learning* offers a closer look at the needs of adult learners and provides a clear comprehensive assessment of the adult higher education landscape *Courageous Learning* underscores an urgent need for Americans to embrace a culture of lifelong learning It is an invaluable tool for adults making the connection between learning and life success and it is a must have resource for educators who recognize our country's

future is dependent on the ability to attract and support more courageous learners I applaud institutions like Excelsior and Western Governors University for being on the cutting edge and for developing better ways to meet customers where they are Going back to school is one of the most important most expensive and most impactful decisions that many of us ever make Hopefully this book will help returning adults make choices that are right for them Margaret Spellings 8th United States Secretary
