DWD-FU1081 / FU1082 / FU1083

INSTRUCTION MANUAL

■ Economic wash system

Using artificial intelligence, the washer uses minimum energy and water by selecting optimal water level and washing time.

■ Low noise system

The washer minimizes the washing and spinning noises by sensing the amount of laundry.

■ Child-Lock

The Child-Lock system has been used to prevent children from pressing any button to change the program during operation.

■ Nano-silver sterilization washing(Optional)

By applying very fine silver particles on essential parts inside, the washer sterilizes up to 99.9% as is done by boiling wash.

■ Air bubble washing(Optional)

This is an advanced technology that generates millions of air bubbles inside the drum on washing sequence, and the bubbles dissolve the detergent particles completely and cleanse all the soil in clothes gently and neatly.

User's Manual for the Microfiche D/international ... Document Collection ,1989 **Instructor's manual with teaching notes to accompany Strategic management** Michael A. Hitt,R. Duane Ireland,Richard A. Menger,Robert E. Hoskisson,1995 [User's Manual to the International Annual Reports Collection](#) ,1989 *The Land Grabbers* Fred Pearce,2012-05-29 How Wall Street Chinese billionaires oil sheiks and agribusiness are buying up huge tracts of land in a hungry crowded world An unprecedented land grab is taking place around the world Fearing future food shortages or eager to profit from them the world s wealthiest and most acquisitive countries corporations and individuals have been buying and leasing vast tracts of land around the world The scale is astounding parcels the size of small countries are being gobbled up across the plains of Africa the paddy fields of Southeast Asia the jungles of South America and the prairies of Eastern Europe Veteran science writer Fred Pearce spent a year circling the globe to find out who was doing the buying whose land was being taken over and what the effect of these massive land deals seems to be *The Land Grabbers* is a first of its kind expos that reveals the scale and the human costs of the land grab one of the most profound ethical environmental and economic issues facing the globalized world in the twenty first century The corporations speculators and governments scooping up land cheap in the developing world claim that industrial scale farming will help local economies But Pearce s research reveals a far more troubling reality While some mega farms are ethically run all too often poor farmers and cattle herders are evicted from ancestral lands or cut off from water sources The good jobs promised by foreign capitalists and home governments alike fail to materialize Hungry nations are being forced to export their food to the wealthy and corporate potentates run fiefdoms oblivious to the country beyond their fences Pearce s story is populated with larger than life characters from financier George Soros and industry tycoon Richard Branson to Gulf state sheikhs Russian oligarchs British barons and Burmese generals We discover why Goldman Sachs is buying up the Chinese poultry industry what Lord Rothschild and a legendary 1970s asset stripper are doing in the backwoods of Brazil and what plans a Saudi oil billionaire has for Ethiopia Along the way Pearce introduces us to the people who actually live on and live off of the supposedly empty land that is being grabbed from Cambodian peasants victimized first by the Khmer Rouge and now by crony capitalism to African pastoralists confined to ever smaller tracts Over the next few decades land grabbing may matter more to more of the planet s people than even climate change It will affect who eats and who does not who gets richer and who gets poorer and whether agrarian societies can exist outside corporate control It is the new battle over who owns the planet *User's Guide to Sears List of Subject Headings* M. P. Satija,2019-11-05 The Sears List of Subject Headings an outstanding name amongst subject headings lists is used all over the world in small and medium sized libraries It has constantly been revised and kept up to date both in its methods and contents by incorporating new subjects and updated organizational machinery Being handy simple inexpensive and always current the Sears List is a convenient choice for teaching subject headings work in library schools User s Guide

to Sears List of Subject Headings 2nd Edition is a companion book which although based on the 222nd edition of the Sears List should also be useful to the libraries using some previous edition It attempts to explain the theoretical foundations history and application of the Sears List as well as of the subject headings work in general It explicates the various hidden potentials of the system to construct subject headings needed for local situations The object of this small practical introduction is to be simple clear and illustrative The book assumes no prior knowledge either of the Sears List or of subject headings work in general It is a manual for beginners to understand the importance of vocabulary control the process of subject analysis the structure and organization of the Sears List and the methods to locate specify and construct subject headings and provide cross references for the public catalogue Subject headings in the complex areas of languages literatures biographical and geographical works are given a chapter each Review questions and exercises conclude most chapters A bibliography and glossary are valuable features of this work
