Con Men and Cutpurses Lucy Moore,2004-04-29 An enthralling anthology of 18th century writings that gives a fascinating insight into the dreadful misdeeds of and the horrible punishments meted out to an array of rogues and criminals from murderers and swindlers to prostitutes and pirates Captured in memoirs letters ballads and court transcripts are some of the most colourful villains ever to take their last gasp at the hangman s noose including daring thief Jack Sheppherd highwayman Dick Turpin and ingenious pickpocket Jenny Diver Taking us from the backstreets and brothels to Newgate prison and the gallows at Tyburn this anthology reveals London s murky underworld in all its squalor and exuberance *Crime in England 1688-1815* David Cox,2014-04-24 Crime in England 1688 1815 covers the long eighteenth century a period which saw huge and far reaching changes in criminal justice history These changes included the introduction of transportation overseas as an alternative to the death penalty the growth of the magistracy the birth of professional policing increasingly harsh sentencing of those who offended against property owners and the rapid expansion of the popular press which fuelled debate and interest in all matters criminal Utilising both primary and secondary source material this book discusses a number of topics such as punishment detection of offenders gender and the criminal justice system and crime in contemporaneous popular culture and literature This book is designed for both the criminal justice history criminology undergraduate and the general reader with a lively and immediately approachable style The use of carefully selected case studies is designed to show how the study of criminal justice history can be used to illuminate modern day criminological debate and discourse It includes a brief review of past and current literature on the topic of crime in eighteenth century England and Wales and also emphasises why knowledge of the history of crime and criminal justice is important to present day criminologists Together with its companion volumes it will provide an invaluable aid to both students of criminal justice history and criminology *Errors and Reconciliations* Anaclara Castro-Santana,2018-03-21 Henry Fielding is most well known for his monumental novel Tom Jones Though not necessarily common knowledge Henry Fielding started his literary career as a dramatist and eventually transitioned to writing novels Though vastly different in their approach and subject there is a common thread in Fielding s work that spanned his career marriage *Errors and Reconciliations* Marriage in the Plays and Novels of Henry Fielding explores this theme focusing on Fielding s fascination with matrimony and the ever present paradoxical nature of marriage in the first half of the eighteenth century as a state easily attained but nearly impossible to escape **Cybercrime and Society** Majid Yar,2013-05-30 Cybercrime is a complex and ever changing phenomenon This book offers a clear and engaging introduction to this fascinating subject by situating it in the wider context of social political cultural and economic change Taking into account recent developments in social networking and mobile communications this new edition tackles a range of themes spanning criminology sociology law politics and cultural studies including computer hacking cyber terrorism piracy and intellectual property theft financial fraud

and identity theft hate speech internet pornography online stalking policing the internet surveillance and censorship Complete with useful recommendations for further reading incisive discussion questions and an updated glossary of key terms *Cybercrime and Society* is an essential resource for all students and academics interested in cybercrime and the future of the Internet

The Devil in the Marshalsea Antonia Hodgson, 2014 The first thrilling historical crime novel starring Thomas Hawkins a rakish scoundrel with a heart of gold set in the darkest debtors prison in Georgian London where people fall dead as quickly as they fall in love and no one is as they seem

Indigenous London Coll Thrush, 2016-10-25 An imaginative retelling of London's history framed through the experiences of Indigenous travelers who came to the city over the course of more than five centuries London is famed both as the ancient center of a former empire and as a modern metropolis of bewildering complexity and diversity In *Indigenous London* historian Coll Thrush offers an imaginative vision of the city's past crafted from an almost entirely new perspective that of Indigenous children women and men who traveled there willingly or otherwise from territories that became Canada New Zealand Australia and the United States beginning in the sixteenth century They included captives and diplomats missionaries and shamans poets and performers Some like the Powhatan noblewoman Pocahontas are familiar others like an Odawa boy held as a prisoner of war have almost been lost to history In drawing together their stories and their diverse experiences with a changing urban culture Thrush also illustrates how London learned to be a global imperial city and how Indigenous people were central to that process

The Birmingham Quean S. A. M. Trainor, 2010-06 We are to believe there was a time when *The Birmingham Quean* was just a poem a mock epic burlesque in which a fake pound coin told how she was won in a game of darts by a drag queen called Britannia Spears It parodied Pope's *The Rape of the Lock* Byron's *Don Juan* and an anonymous eighteenth century novel *The Birmingham Counterfeit* The transformation of this bit of picaresque doggerel into the sprawling work barely contained by this cover is the central mystery of a ludic novel It mirrors the unlikely story of a dirty little settlement of nailers and cutlers becoming the principle city of the Industrial Revolution by flooding the Restoration economy with counterfeit coins What remains is an absurd scholarly edition of a poem recast as a futuristic dystopia in which nothing is authentic It is also the tale of an impossible love affair that uncovers an impossible text by an impossible author It is as strange ironic sombre flashy and anarchic as the city to which it owes its existence
