McCarthy,Ira,2013-09-13 Educators will find in this book an opportunity to examine the multiple dynamic identities of the students they instruct and to consider the ways in which all teachers and students are shaped by their social and cultural settings The volume is the first to examine theories of identity and elementary literacy practices by presenting data in a teacher friendly format The chapters highlight the influences of school and to some extent home contexts on students identities as readers and writers and give numerous implications for practice McCarthy collected data from three sites in which teachers implemented writing workshop and literature based instruction in grades 3 6 This book focuses on the students in these sites who were from diverse cultural and social backgrounds By providing information about the contexts in which students read and wrote McCarthy demonstrates the power of the teacher student relationship the importance of the classroom curriculum and the influence of parents and peers on students Published by International Reading Association

The Conscious Teacher Deborah Nichols Poulos,2020-01-13 The Conscious Teacher is about all kinds of strategies and

techniques educators might employ to become more effective teachers In an accessible conversational style Deborah Nichols Poulos presents unique approaches to teaching that will inspire new and veteran teachers alike She begins with her personal story of not being able to read all through elementary school Her early failures convinced her she was dumb At first she struggled but when she still failed she adopted an avoidance strategy that served her well until junior high An experience in the seventh grade flipped a switch and started her on a journey to becoming an outstanding student and later to applying the lessons she learned as a child to her own teaching What makes *The Conscious Teacher* unique are the inspirational lessons that are unlike what most teachers get in their teacher education courses or student teaching Ms Nichols Poulos points out for example that from the very first day it is important that students learn they will be treated with dignity and respect no matter what And especially helpful are the steps Ms Nichols Poulos employs to set up a behavior management plan that works She explains the strategic steps she takes before school starts how essential it is to get to know each student before they walk into class on that first day She also illustrates how setting up classroom routines helps students know what to expect and how to make the best use of every minute And she emphasizes the importance of the parent student teacher team and includes many examples of how to communicate with and involve parents even those who may be difficult Foundational to her program are reading and writing Among other things she lays out the steps for students even as early as fourth grade to write five paragraph essays and their own student authored books and to research and write reports that include bibliographies When she differentiated curriculum to support all students needs she found their learning accelerated All teachers will appreciate her ideas about how to teach the basics of math as well as advanced math concepts And her ideas for teaching the arts are inspirational as she describes in detail how her fourth graders performed Shakespeare s Hamlet Macbeth King Lear Julius Caesar and A Midsummer Night s Dream She also shows how to integrate social studies with literature and writing Her experiences taught her that young students are much more capable than many people realize *The Conscious Teacher* is an indispensable guide for all new teachers Many of the ideas Ms Nichols Poulos provides will also be an eye opener for parents and experienced teachers as well *The Conscious Teacher* is simply a must have for anyone truly interested in giving young children a positive and solid foundation for their later schooling

Ancient Egypt Michelle Breyer,1996-09 *Improving Reading* Jerry L. Johns,Susan Davis Lenski,2001 Provides teaching strategies activities and resources to help students with specific problems

Checking for Understanding Douglas Fisher,Nancy Frey,2015-12-18 A teacher presents a lesson and at the end asks students if they understand the material The students nod and say they get it Later the teacher is dismayed when many of the students fail a test on the material Why aren t students getting it And just as important why didn t the teacher recognize the problem In *Checking for Understanding* Douglas Fisher and Nancy Frey show how to increase students understanding with the help of creative formative assessments When used regularly formative assessments enable every teacher to determine what students know and what they still need to learn Fisher and Frey explore

a variety of engaging activities that check for and increase understanding including interactive writing portfolios multimedia presentations audience response systems and much more This new 2nd edition of *Checking for Understanding* has been updated to reflect the latest thinking in formative assessment and to show how the concepts apply in the context of Fisher and Frey's work on gradual release of responsibility guided instruction formative assessment systems data analysis and quality instruction Douglas Fisher and Nancy Frey are the creators of the Framework for Intentional and Targeted FIT Teaching They are also the authors of numerous ASCD books including *The Formative Assessment Action Plan* *Practical Steps to More Successful Teaching and Learning* and the best selling *Enhancing RTI: How to Ensure Success with Effective Classroom Instruction and Intervention*
