CCIE Practical Studies Security leads you through the requirements of the CCIE Security one day lab exam by providing practical lab exercises designed to model complex security solutions These lab scenarios help you to master the broad scope of

technologies needed to succeed on the CCIE Security lab exam and provide you with a solid foundation of knowledge that you can apply to your everyday job as a network security expert. Serving the dual role of expert level network security reference and CCIE Security lab exam preparation tool, CCIE Practical Studies Security begins with a review of routing and switching fundamentals and builds upon this foundation with more advanced requirements of modern network security technology. Each chapter contains technology overviews coupled with mini lab scenarios that demonstrate practical application of the technology. The book concludes with a final chapter containing complete lab scenarios that integrate the concepts and technologies covered in all the earlier chapters. These comprehensive labs mimic the types of scenarios candidates face on the actual one day lab exam. CCIE Practical Studies Security is part of a recommended study program from Cisco Systems that includes simulation and hands on training from authorized Cisco Learning Partners and self study products from Cisco Press. To find out more about instructor led e learning and hands on instruction offered by authorized Cisco Learning Partners worldwide, please visit www.cisco.com/go/authorizedtraining. Working through lab activities and practice with show commands and debugs will better prepare the exam candidate to implement and troubleshoot solutions efficiently and successfully. Kathe Saccetti, co-developer of the CCIE Security exam, Cisco Systems Inc. Companion CD-ROM. The CD-ROM contains the solutions to the 8 complete lab scenarios in the book. This book is part of the Cisco Press Practical Studies Series, which offers readers a means to apply theoretical knowledge through hands on lab scenarios. This unique approach enables readers to practice and hone their internetworking skills while preparing for Cisco certification exams.
