Holy Spirit, The Believer's Victory , **The Classic Bible Commentary** Owen Collins,1999 An Essential Collection of History s Finest Commentaries in One Volume **The Power of Brokenness** Theodore Andoseh,1900 With an expanding work both local and international there is pressing demand for new leaders Emerging leaders often observe the deficiencies in the ministries of those who have long occupied center stage Filled with innovative ideas and creativity they aspire to bring something out of the ordinary the very essence of God s creativity Yet the God of creativity demands that His creatures do not tamper with His design The work of God must be carried out in God s way The curse of carnal service lies in its ineffectiveness Natural attributes worldly achievements and scholarly prowess can only be instrumental in God s service if the Holy Spirit chooses to employ them The Power of Brokenness takes you on an extraordinary journey into the heart of effective Christian leadership uncovering the hidden strength found in embracing brokenness The author Theodore Andoseh artfully weaves insights from biblical narratives particularly the transformative story of Moses once a prospective Pharaoh with vast knowledge martial expertise and numerous conquests under his belt to demonstrate the work of God within the inner man preparing the servant of God for usefulness and effectiveness in their divine calling Brokenness though painful is not a negative force The mighty prince proved ineffective but it was the broken shepherd in God s hands who served the Lord with remarkable effectiveness The elite Moses proved useless and could only save one person who did not even leave Egypt However the broken Moses fulfilled his calling in the might of the Lord and led over three million people out of Egypt As you read through the lines of this book may the Lord open your eyes to the power of brokenness and its centrality in the service of the Lord
